

DR. HIMADRI RAY CHOWDHURY

Senior Consultant - Dental Medicine

Qualification

BDS | MDS (Conservative Dentistry)

Overview

Dr. Himadri Ray Chowdhury is a renowned dental specialist at Manipal Hospitals Broadway, Kolkata, boasting an illustrious career spanning more than 11 years. His academic journey commenced at Calcutta University, where he achieved his Bachelor of Dental Surgery (BDS) degree. Pursuing further education, he attained a Master of Dental Surgery (MDS) specialising in Conservative Dentistry from West Bengal State University. Dr. Himadri Ray Chowdhury's expertise extends across various facets of dentistry including general dentistry, dental surgery, and paediatric dentistry, underpinned by his unwavering commitment to professional excellence. Registered with the West Bengal State Dental Council and affiliated with the Dental Council of India, Dr. Himadri Ray Chowdhury is esteemed for his adherence to the highest standards of dental practice in India. Throughout his career, he has earned trust and recognition for his clinical acumen and compassionate patient care, making him a sought-after practitioner in Kolkata. He adopts a comprehensive approach to dental health, catering to diverse dental needs ranging from routine examinations to intricate surgical procedures. His specialisation in paediatric dentistry

underscores his ability to provide gentle and effective care tailored to young patients, ensuring positive early experiences and promoting lifelong oral health practices. Dr. Himadri Ray Chowdhury has received accolades, including significant awards, which attest to his outstanding contributions to dentistry. These accolades underscore his dedication to advancing dental care standards and his potential impact on dental research or community service. Dr. Himadri Ray Chowdhury is proficient in Bengali, English, and Hindi, which enables him to effectively communicate and connect with patients from diverse linguistic backgrounds. His fluency in these languages enriches the patient-doctor interaction, fostering trust and ensuring clarity in discussing treatment options and healthcare decisions. This linguistic versatility underscores his commitment to providing inclusive and patient-centred dental care at Manipal Hospitals Broadway, Kolkata.

Fellowship & Membership

- Member Of the Dental Council Of India.

Field of Expertise

- Specialises in cosmetic and aesthetic dentistry, providing advanced treatments such as ceramic veneers, crowns (including zirconia crowns), and dental implants to enhance smile aesthetics and functionality.
- Proficient in conservative dentistry, focusing on preserving natural tooth structure through treatments like dental fillings, endodontic surgery (apicoectomy), and aesthetic dental procedures.
- Demonstrates expertise in prosthodontics, offering solutions like BPS dentures fixing, cast partial dentures, fixed partial dentures (FPD), immediate dentures, and acrylic partial

dentures to restore dental function and appearance.
- Skilled in TMJ (Temporomandibular Joint) therapy and mucogingival surgery, employing specialised techniques to treat conditions affecting the jaw joint and gum tissues for improved oral health.
- Specialises in comprehensive dental care, including the placement of artificial teeth and dental implant fixing, ensuring patients receive optimal outcomes and personalised treatment plans for their dental needs.
