

**PROF. (DR.) INDRANIL PAL**

Senior Consultant - ENT

**Qualification**

MBBS | MS (ENT)

## Overview

Prof. (Dr.) Indranil Pal is a distinguished senior consultant Ear, Nose, Throat, Head, and Neck Surgeon at Manipal Hospitals Broadway, Kolkata. With 27 years of overall experience, including 20 years as a specialist, he boasts enriching expertise in his field. Dr. Pal earned his MBBS degree from Nilratan Sircar Medical College, Kolkata, followed by an MS in ENT from Medical College Hospitals, Kolkata. His illustrious career is highlighted by his expertise in advanced Micro-Ear, Microlaryngeal, and Endoscopic Nasal Surgeries, complemented by a comprehensive range of routine ENT procedures. He is also highly skilled in performing intricate head and neck surgeries for benign and malignant conditions, demonstrating a versatile and extensive surgical skill set. A dedicated academician, Dr. Pal has authored approximately 18 publications in prestigious international and national journals, further solidifying his commitment to advancing medical knowledge and best practices. He maintains active membership in esteemed professional organisations such as the Association of Otolaryngologists of India and the Foundation of Head and Neck Oncosurgeons, reflecting his ongoing engagement in the evolution of ENT and head-neck

oncology disciplines. Beyond his clinical and academic achievements, Dr. Indranil Pal is recognised for his multilingual proficiency in Bengali, English, and Hindi, which enables him to establish meaningful connections with a diverse patient demographic. His empathetic approach ensures clear communication and patient comfort throughout the treatment journey, reinforcing his reputation as a compassionate and patient-centred healthcare provider. Dr. Pal continues to play a pivotal role in shaping the future of ENT care through his clinical expertise, scholarly pursuits, and unwavering dedication to patient well-being. His contributions to the medical community stand as a testament to his leadership and commitment to excellence in Otolaryngology and head-neck surgery.

### Fellowship & Membership
