

DR. ANIRVAN JAISWAL

Senior Consultant - Internal Medicine

Qualification

MBBS | MRCP(UK)

Overview

Dr. Anirvan Jaiswal, a well known and popular consultant in the Internal Medicine Department at Manipal Hospitals Broadway, Kolkata, brings over a decade of extensive experience and expertise in field of internal medicine, non-interventional cardiology, diabetology and critical care medicine. With a strong academic background and a passion for providing comprehensive patient care, Dr. Jaiswal is dedicated towards patient care through holistic evidence based approach towards treatment in amalgamation with innovative approaches and compassionate attitude towards his patients. Dr. Jaiswal completed his MBBS from Bangalore Medical College affiliated under Rajiv Gandhi University of Health Science, followed by MRCP from Royal College of Physicians, United Kingdom. Specialising in Internal medicine, Dr. Jaiswal has also keen interest in allied fields of Critical Care Medicine, Diabetology, and Cardiology and regularly treats patients in these specialities both in hospital settings and as out patients through a multi disciplinary approach, aiming to provide a comprehensive and highest standard of care to his patients. Dr. Anirvan Jaiswal’s interest and commitment towards academics is reflected in his membership in

esteemed organisations such as the Association of Physicians of India, the European Society of Cardiology, the Thyroid Society of India, Research Society of Study of Diabetes in India and many other such bodies. Furthermore, Dr. Jaiswal's continuous pursuance of academic excellence and drive to keep abreast with most recent medical developments, in addition to his oratory skills, have made him a sought after and eminent speaker in several CMEs and conferences. At the outbreak of Covid pandemic and lockdown, Dr. Anirvan Jaiswal was the only Consultant in the whole of North Kolkata to have continued his Consultation chambers and in patient rounds without a break for even a single day. He was extensively associated with several private health care institutes as a Covid Consultant, thereby seeing close to 70 patients affected with moderate to severe Covid pneumonia every single day during the days of pandemic along with many other such patients in the OPD. Fluent in English, Bengali, Hindi and Kannada, Dr. Jaiswal stresses upon effective communication with his patients and their relatives, thereby emphasising on informed patient care and bringing about trust and understanding in all interactions. His unwavering dedication to patient care, coupled with his clinical expertise and commitment to academic excellence, makes Dr. Jaiswal very approachable and popular with his patients and a leading specialist in the state.
