

PROF (DR.) RAKHI SANYAL DUTTA SARMA

Senior Consultant - Internal Medicine

Qualification

MBBS | MD | DNB | MNAMS|MRCP (UK) | FRCP (Edinburgh)|SCE Acute Medicine (UK) | Examiner of International PACES MRCP (UK) Examination

Overview

Prof. (Dr.) Rakhi Sanyal, a renowned Senior Consultant in Acute Medicine at Manipal Hospitals, Broadway, brings over a decade of extensive experience and expertise in diagnosing and treating acute medical disorders. With a robust academic, teaching, and research background, and a passion for comprehensive patient care, she is dedicated to advancing Acute Medicine through innovative approaches and compassionate treatment. Dr. Sanyal holds an MBBS and MD in Internal Medicine, demonstrating her advanced training. She further achieved the DNB and MNAMS, which are prestigious Indian medical qualifications. Internationally, she earned the MRCP(UK) and is a Fellow of the Royal College of Physicians of Edinburgh (FRCP(Edin)), reflecting her recognised expertise and contributions to medicine globally. Her commitment to academia is evident as she serves as the convenor of the APICON 2025 Critical Care Scientific Subcommittee and as an examiner of undergraduate and postgraduate medical education. Dr. Sanyal has contributed significantly to medical literature, authoring chapters in key postgraduate medicine textbooks such as "Progress in

Medicine" and "API Update." She has numerous publications in clinical studies, trials, case series, and reports, with ongoing research projects. Prof. Sanyal is actively involved in clinical governance and is an expert in AETCOM, demonstrating excellent communication skills that foster trust and understanding in her interactions. Her unwavering dedication and empathy towards patient care, combined with her clinical expertise and academic excellence, make her a leading specialist in Acute Medicine and a prominent academician in Medical Education and Clinical Research.
