Overview

Dr. Biplab Deb is a distinguished Senior Consultant specialising in Infertility Treatment and Laparoscopic Surgery at Manipal Hospitals Broadway, Kolkata. With a career spanning over two decades, Dr. Deb has established himself as a leader in Reproductive Medicine and Minimally Invasive Surgery. He began his medical journey at National Medical College, Calcutta, graduating in 1995 and subsequently completing his MD in Obstetrics & Gynaecology at R.G. Kar Medical College, Kolkata. His training included a Diplomate of National Board (DNB) from the National Board of Examinations in New Delhi. Dr. Deb's passion for advancing Reproductive Health led him to specialise further with a Fellowship in Maternal and Child Health, emphasising comprehensive care for women and children. He is adept in managing a wide range of reproductive issues, from diagnostic evaluations to advanced Assisted Reproductive Technologies like IVF and IUI. His expertise also extends to complex Reproductive Surgeries such as Hysterectomy and Myomectomy, utilising Minimally Invasive Techniques to minimise patient discomfort and enhance recovery. At Manipal Hospitals, Dr. Deb collaborates with a multidisciplinary team,

leveraging state-of-the-art facilities to provide personalised treatment plans tailored to each patient's unique needs. He is renowned for his compassionate approach, offering support and guidance throughout the reproductive journey, from conception to childbirth and beyond. Dr. Deb's commitment to patient care is complemented by his active involvement in medical research and education, contributing significantly to the understanding of reproductive health and Minimally Invasive Surgery. Beyond his clinical practice, Dr. Deb is a dedicated mentor, sharing his expertise with aspiring medical professionals and participating in conferences and workshops to advance medical knowledge. His holistic approach and empathetic demeanour have earned him the trust and respect of patients and colleagues alike, making him a valued figure in the field of infertility treatment and Laparoscopic Surgery.
