

DR. SUCHANDRA MUKHOPADHAYA

Senior Consultant - Obstetrics & Gynecology

Qualification

MBBS | DND (Gynaecology and Obstetrics)

Overview

Dr. Suchandra Mukhopadhaya is an esteemed senior consultant in the Department of Obstetrics and Gynaecology at Manipal Hospitals, Broadway, Kolkata. With over 25 years of extensive experience, she is highly regarded for her unparalleled expertise in managing high-risk pregnancies. Dr. Mukhopadhaya's unwavering dedication to comprehensive patient care and her enthusiasm for advancing the field with innovative and evidence-based methods have established her as a distinguished leader in her specialty. Dr. Mukhopadhaya earned her MBBS and subsequently completed a DNB in Gynaecology and Obstetrics. She is highly skilled in Laparoscopic gynaecological procedures, including Hysterectomies and Surgeries for Endometriosis, fibroid uterus, and infertility. Dr. Mukhopadhaya is also adept in managing complex obstetric emergencies, ensuring both maternal and foetal well-being in critical situations. Her unwavering commitment to prenatal and postnatal care, along with meticulous pre-and post-operative treatment, highlights her exceptional devotion to her patients. Her excellence is further demonstrated through her active membership in esteemed professional organisations such as the

Bengal Obstetrics & Gynaecological Society and the Indian Association of Gynaecological Endoscopy. She regularly participates in national and international conferences, contributing to the dissemination of knowledge and the adoption of best practices in her field. Fluent in English, Bengali, and Hindi, Dr. Mukhopadhaya ensures effective communication with her patients, fostering trust and understanding in all interactions, and thereby enhancing patient satisfaction and outcomes. In addition to her clinical acumen, Dr. Mukhopadhaya is involved in academic pursuits, mentoring young doctors and contributing to research in obstetrics and gynaecology. Her holistic approach, combining clinical excellence with compassionate care, makes her a highly sought-after practitioner in her field.
