

DR. BAPPADITYA KUMAR

Consultant - Cardiology

Qualification

MBBS | MD | DM

Overview

Dr. Bappaditya Kumar is a distinguished Cardiologist based in Kolkata, renowned for his expertise in various cardiovascular specialties. With over 20 years of experience in the field, he is considered one of the most trusted medical professionals in the city. Currently associated with Manipal Hospital Broadway, Dr. Kumar has earned a reputation for his exceptional skills in diagnosing and treating complex heart conditions. He is the Best Cardiologist in Broadway, Kolkata. Dr. Kumar's areas of interest and expertise are diverse, reflecting the broad scope of his knowledge in cardiology. He specializes in Blueberry Syndrome, a rare congenital heart defect, and is highly regarded for his work in Electrophysiology, a branch of cardiology that deals with the electrical functions of the heart. His proficiency extends to advanced procedures such as thrombolysis, which is used to dissolve dangerous blood clots in patients experiencing acute heart attacks. Dr. Kumar is also highly skilled in performing cardiac angioplasty, a procedure to open blocked arteries and restore normal blood flow to the heart, and in conducting angiocardiography to assess the heart's structure and function. In addition to these advanced treatments, Dr.

Kumar provides comprehensive diagnostic services, including Holter monitoring, which is crucial for monitoring a patient's heart activity over an extended period. He also conducts coronary angiography, a procedure that uses special dye and X-rays to visualize the blood vessels in the heart, and stress tests to evaluate how the heart performs under physical exertion. Another critical diagnostic tool at his disposal is the Treadmill Test, which is widely used to assess the heart's response to stress. Furthermore, Dr. Kumar is highly proficient in echocardiography, a non-invasive procedure that uses sound waves to create images of the heart, aiding in the diagnosis of various heart conditions. Dr. Kumar's vast experience and specialization make him an invaluable resource for patients dealing with complex and chronic heart diseases. Over the years, he has built a solid foundation of trust with his patients, who benefit not only from his clinical expertise but also from his compassionate approach to patient care. His dedication to staying updated with the latest advancements in cardiology ensures that his patients receive the best possible treatment options available. Dr. Bappaditya Kumar is a prime example of medical excellence, and his work continues to make a significant impact on the health and well-being of his patients. His longstanding association with Manipal Hospital Broadway allows him to deliver state-of-the-art medical services in an environment equipped with the latest technology and support systems. As one of Kolkata's leading cardiologists, Dr. Kumar is at the forefront of advancing heart care, offering his patients both expertise and hope for a healthier future. His field of expertise includes Blueberry Syndrome Electrophysiology, Thrombolysis Birth defects, Cardiac angioplasty, Angiocardiography, Holter Monitoring Coronary Angiography, Stress tests, Treadmill Tests, Echo Cardiography Dr. Bappaditya Kumar is one of the best cardiologists in Kolkata and has an overall experience of 20 years in the field.
