

DR. ABHISHEK BANERJEE

Senior Consultant - Medical Gastroenterology

Qualification

MBBS | MD (General Medicine) | DM (Gastroenterology)

Overview

Dr. Abhishek Banerjee is a highly accomplished gastrointestinal medical specialist, widely regarded as one of the Best Gastroenterologists in Broadway, known for his advanced expertise in diagnosing and treating complex gastrointestinal and liver disorders. With an exceptional academic foundation—MBBS from Burdwan Medical College, MD in General Medicine from R.G. Kar Medical College, and DM in Gastroenterology from the prestigious IPGMER & SSKM Hospital—Dr. Banerjee has built a career rooted in clinical excellence and evidence-based care. His advanced training at India's top medical institutions has equipped him with deep proficiency in diagnostic and therapeutic endoscopy, including procedures such as endoscopic stenting, variceal band ligation, dilation of strictures, management of gastrointestinal bleeding, and comprehensive care for tumors and chronic liver disease. His exposure to complex cases at SGPGI Lucknow, Medica Superspeciality Hospital, and R.G. Kar Medical College has further strengthened his ability to manage both routine and high-risk gastrointestinal conditions with precision. Dr. Banerjee's journey reflects consistent dedication to mastering the nuances of

gastroenterology. His hands-on experience as Senior Resident and Registrar across leading institutions has given him wide-ranging clinical insight into acute, chronic, and critical gastrointestinal conditions, enabling him to deliver highly personalized treatment plans. His DM training at IPGMER & SSKM Hospital refined his skills in cutting-edge endoscopic techniques, preparing him to treat some of the most challenging cases with utmost accuracy and safety. A strong believer in continuous learning, Dr. Banerjee actively participates in medical workshops, conferences, and training programs, ensuring his patients receive care that aligns with the latest global advancements in gastroenterology. His ability to integrate academic excellence, advanced endoscopic skills, and compassionate patient management has earned him a trusted reputation within the medical community. Fluent in Bengali, Hindi, and English, he ensures seamless communication and builds confidence among patients seeking specialized gastrointestinal care. His unwavering commitment to improving patient outcomes, combined with his depth of knowledge and modern therapeutic approach, strongly positions him as one of the Best Gastroenterologists in Broadway, delivering comprehensive and empathetic care to individuals with diverse digestive health concerns.
