

DR. UTTAYAN CHAKRABARTI

Consultant - Nephrology & Transplant Physician

Qualification

MBBS | MD Medicine | DM Nephrology (AIIMS)

Overview

Dr. Uttayan Chakrabarti is a highly qualified Consultant Nephrologist and Transplant Physician at Manipal Hospitals, Broadway. He holds an MBBS, an MD in Internal Medicine, and a DM in Nephrology from the All India Institute of Medical Sciences (AIIMS)—one of the most prestigious medical institutions in India. His academic and clinical journey is defined by a deep commitment to delivering advanced, evidence-based kidney care. Dr. Chakrabarti's areas of clinical expertise include the management of acute kidney injury (AKI), glomerular diseases, chronic renal failure, and diabetic and hypertensive kidney conditions. He also has significant experience in renal transplantation, including the management of both pre- and post-transplant patients. His clinical approach focuses on early diagnosis, prevention of disease progression, and tailored treatment plans based on each patient's specific condition. In addition to his clinical responsibilities, Dr. Chakrabarti has contributed significantly to nephrology research. He has authored 11 scientific publications, many of which are featured in internationally indexed journals, where he has served as the first author. His academic work spans key nephrology domains and reflects

his commitment to advancing treatment strategies and improving patient outcomes. Dr. Chakrabarti has also received multiple accolades for his scientific presentations at both national and international conferences, underscoring his contributions to academic nephrology and medical education. His ability to bridge cutting-edge research with clinical application makes him a well-respected figure in the field. Fluent in English, Bengali, and Hindi, Dr. Chakrabarti is known for his thoughtful and empathetic communication style. He builds strong relationships with his patients, empowering them with knowledge and involving them in every stage of their treatment journey. At Manipal Hospitals, Broadway, Dr. Uttayan Chakrabarti plays an integral role in strengthening the hospital's nephrology and transplant services. His blend of academic excellence, clinical expertise, and patient-centred care makes him a trusted name in the management of kidney-related diseases.
