

DR. RAJA NAG

Consultant - Interventional Cardiology

Qualification

MBBS | MD | DNB (Cardiology)

Overview

Dr. Raja Nag is a highly accomplished Interventional Cardiologist and one of the Top Heart Specialists in Broadway, Kolkata, backed by more than two decades of extensive clinical experience. Known for his precision, calm expertise, and patient-focused approach, Dr. Nag is trusted for diagnosing and treating a wide range of complex and routine cardiac conditions with exceptional outcomes. He completed his MBBS and MD in General Medicine from Guwahati Medical College, followed by a DNB in Cardiology from the prestigious Railway Hospital, Chennai. With such strong academic roots and over 20 years of hands-on experience across leading heart institutions in India, Dr. Nag has earned a respected reputation in the field of advanced cardiac care. His expertise includes complex angioplasty, coronary angiogram, cardiac catheterization, pacemaker implantation, and the comprehensive management of heart failure, coronary artery disease, and rheumatic heart disease. Throughout his career, he has held significant clinical roles at renowned hospitals including Vijetha Heart Hospital (Visakhapatnam), Bankers Heart Institute (Baroda), and the Institute for Cardiac Treatment & Research (Railway Hospital,

Chennai). These diverse exposures have equipped him with unmatched proficiency in addressing cardiac cases ranging from common concerns to high-risk emergencies. Dr. Nag’s clinical strength lies in both interventional and medical cardiology, enabling him to provide holistic, evidence-based care tailored to each patient’s specific heart condition. His ability to perform advanced cardiac procedures with utmost safety and accuracy has made him a preferred cardiologist for patients seeking expert heart care in Kolkata. He is an active member of the Cardiological Society of India (CSI), consistently engaging in medical education, conferences, and training initiatives that keep him aligned with the latest global advancements in cardiology. This ensures that every patient receives updated, world-class treatment based on current research and proven methodologies. Fluent in English, Hindi, and Bengali, Dr. Raja Nag ensures clear communication and a comforting environment for patients and their families. His longstanding dedication to heart health, combined with his exceptional procedural expertise, solidifies his standing as one of the Top Heart Specialists in Broadway, Kolkata, delivering trusted, compassionate, and clinically advanced cardiac care.
