

DR. ABHISHEK BHAUMIK

Consultant - General Surgery

Qualification

MBBS | MS (General Surgery) | FNB (Minimal Access Surgery) | FICRS

Overview

Dr. Abhishek Bhaumik is a highly regarded Advanced Laparoscopic Surgeon with exceptional expertise in minimally invasive surgery. His impressive qualifications include an MBBS, MS in General Surgery, and FNB (Minimal Access Surgery), which form the foundation for his skillful approach to surgery. Dr. Bhaumik specializes in a broad range of surgical procedures, particularly in the fields of gastrointestinal, colorectal, and bariatric surgeries. Known for his ability to address a diverse array of conditions, Dr. Bhaumik treats patients with gallstones, hernias, gastroesophageal reflux disease (GERD), and other gastrointestinal ailments using advanced laparoscopic techniques. These minimally invasive procedures offer patients reduced recovery time, less pain, and better overall outcomes compared to traditional open surgeries. His expertise is not limited to gastrointestinal issues but extends to managing conditions of the spleen, adrenal glands, thyroid, and kidneys. In addition to his specialization in gastrointestinal surgery, Dr. Bhaumik is highly skilled in complex hernia surgeries, including both routine and complicated cases. His deep understanding of the intricacies involved in hernia repair enables

him to perform these procedures with precision, ensuring optimal recovery for his patients. Bariatric surgery, a field that requires a combination of surgical expertise and an understanding of metabolic health, is another area in which Dr. Bhaumik excels. With obesity becoming a prevalent health concern globally, Dr. Bhaumik has made it his mission to offer life-changing solutions to individuals battling obesity. His proficiency in performing bariatric surgeries such as laparoscopic sleeve gastrectomy, gastric bypass, and other weight-loss procedures provides patients with an opportunity for improved health and quality of life. Dr. Bhaumik's approach to bariatric surgery is holistic, emphasizing not just the surgery itself but the importance of long-term follow-up and lifestyle modifications to ensure lasting success. Dr. Bhaumik’s surgical proficiency also extends to the treatment of gastrointestinal cancers. With the increasing incidence of cancers such as colon, gastric, and esophageal cancer, Dr. Bhaumik plays a critical role in the early detection and surgical management of these conditions. His expertise in laparoscopic techniques for cancer surgeries offers patients the benefits of less invasive options, leading to quicker recovery times, fewer complications, and improved long-term outcomes. In addition to treating cancers, Dr. Bhaumik is highly skilled in performing minimally invasive surgeries for a variety of other conditions, including disorders of the spleen, adrenal glands, thyroid, and kidneys. This wide range of surgical expertise enables him to offer comprehensive care to his patients, ensuring they receive tailored treatment plans that address their specific medical needs. Beyond his technical expertise, Dr. Bhaumik, the best General Surgoen in Broadway, is known for his patient-centered approach to healthcare. He takes the time to understand each patient’s unique concerns, ensuring they are well-informed and comfortable with their treatment options. This approach fosters trust and confidence, which is critical in the surgical field. Dr. Bhaumik’s philosophy revolves around delivering high-quality, compassionate care that prioritizes the well-being of his patients. Whether it is a complex hernia repair, bariatric surgery, or the

management of a gastrointestinal cancer, Dr. Bhaumik's patients can be assured that they are in capable hands. His dedication to excellence and his commitment to staying at the forefront of surgical advancements have earned him a reputation as one of the leading surgeons in his field. Through his knowledge, skill, and patient-focused care, Dr. Bhaumik continues to make a significant impact on the lives of his patients, helping them regain their health and improve their quality of life.

Fellowship & Membership

- Fellowship of the National Board (FNB) in Minimal Access Surgery
- Fellow of the International College of Robotic Surgeons (FICRS)
- Member of the Indian Association of Gastrointestinal Endo Surgeons (IAGES)

Field of Expertise

- Specialises in advanced Laparoscopic Procedures for gastrointestinal (GI), colorectal, and Bariatric Surgeries
- Expertise in the treatment of gallstones, hernias, GERD, and other abdominal conditions using minimally invasive techniques
- Demonstrates proficiency in repairing complex hernias, particularly those that are recurrent and complicated
- Skilled in performing Bariatric Surgeries such as Laparoscopic Sleeve
- Gastrectomy and Gastric Bypass, focusing on comprehensive obesity management
- Experienced in Laparoscopic management of GI cancers, including colon, gastric, and oesophageal cancer
- Skilled in providing surgical interventions for disorders of the

spleen, adrenal glands, thyroid, and kidneys, using minimal access techniques
- Proficient in utilising Laparoscopic Surgery for various emergency abdominal conditions, such as appendicitis, abdominal aortic aneurysms, intestinal obstructions, etc
- Specialises in Proctological Surgery, including management of piles, fissures, fistulas and laser-assisted procedures
