## Overview

Dr. Prasenjit Sarkar is a renowned Internal Medicine Specialist, Critical Care Medicine expert, and Cardiologist based in Kolkata. With over 13 years of experience in these diverse fields, Dr. Sarkar has become a trusted healthcare professional dedicated to providing comprehensive care to his patients. His clinic, located in Salt Lake, Kolkata, is a hub for individuals seeking specialized medical treatment, particularly in internal medicine, critical care, and cardiology. Dr. Sarkar's medical journey began with his MBBS degree from Burdwan Medical College in 2002, followed by his pursuit of advanced medical qualifications that have shaped him into an expert in his field. He completed his MD in General Medicine from the University of Cape Town in 2015 and holds a Diploma in Public Health from the West Bengal University of Health Sciences, earned in 2009. His credentials reflect a strong foundation in both general and specialized medical fields, making him a highly qualified doctor trusted by many patients. Dr. Prasenjit Sarkar’s expertise spans across various areas of internal medicine, which includes diagnosing and treating a broad spectrum of conditions affecting the internal organs, including the heart, lungs, and digestive

system. His specialization in Critical Care Medicine has enabled him to manage critically ill patients effectively, often dealing with complex, life-threatening conditions that require immediate and expert intervention. His knowledge of cardiology further enhances his ability to treat heart-related conditions such as hypertension, coronary artery disease, and heart failure, among others. This combination of skills has allowed Dr. Sarkar to provide holistic healthcare to his patients, ensuring that all aspects of their medical needs are addressed with the utmost care and precision. His approach to treatment is rooted in evidence-based medicine, always ensuring that the most effective and up-to-date interventions are applied to each case. This makes him the top Internal Medicine Doctor in Broadway. In addition to his clinical expertise, Dr. Sarkar is also a member of several esteemed medical organizations, which include the American College of Cardiology, the College of Critical Care Medicine, and the Indian Medical Association. These memberships allow him to stay updated on the latest advancements in the medical field and engage with peers globally. As a life member of the College of Critical Care Medicine, Dr. Sarkar is well-versed in handling emergencies and providing care to critically ill patients, making him an invaluable asset in hospital settings as well as in his private clinic. His patients often praise his compassionate approach, describing him as a doctor who listens attentively and provides clear explanations of their conditions and treatment options. His vast experience and caring nature make him an ideal choice for patients who require comprehensive healthcare. At Dr. Prasenjit Sarkar's clinic, patients can expect a personalized approach to their health concerns, as the doctor takes the time to understand each individual's medical history and symptoms. His reputation as an experienced and knowledgeable specialist has earned him the trust of numerous patients across Kolkata, many of whom have sought his expertise for chronic health conditions or complex medical issues. With the ability to speak both English and Hindi, Dr. Sarkar can communicate effectively with a wide range of patients from diverse

backgrounds. Furthermore, his clinic offers the convenience of online appointments through platforms like Lybrate, ensuring that patients can easily schedule consultations at their convenience. Whether you are seeking general medical advice, managing a chronic illness, or are in need of specialized care, Dr. Prasenjit Sarkar provides comprehensive medical solutions that prioritize your well-being.
