

DR. SOURAV PRADHAN

Consultant - Rheumatology

Qualification

MBBS | MD (General Medicine) | DNB (General Medicine) | DM (Rheumatology)

Overview

Dr. Sourav Pradhan is a distinguished Consultant Rheumatologist at Manipal Hospital Broadway, Kolkata, with 9 years of rich clinical and academic experience in the field of Rheumatology. Renowned for his compassionate care and evidence-based approach, Dr. Pradhan is dedicated to the diagnosis, treatment, and long-term management of complex autoimmune and musculoskeletal disorders. He completed his MBBS from Calcutta National Medical College and pursued his MD in General Medicine from Medical College, Kolkata. Further advancing his expertise, he obtained his DNB (General Medicine) and later completed his DM in Rheumatology from the prestigious King George's Medical University (KGMU), Lucknow—one of the leading centres for rheumatology training in India. Dr. Pradhan's career reflects a deep commitment to both patient care and academic excellence. He has served in various clinical roles, including Senior Resident in Rheumatology at KGMU and Residential Medical Officer cum Clinical Tutor at NRS Medical College and Hospital, Kolkata. His experience also includes critical care exposure during his tenure at Fortis Hospital, enriching his ability to manage complex and acute presentations of

rheumatologic diseases. Beyond clinical care, Dr. Pradhan has made significant contributions to medical research. He has participated as a sub-investigator in several global clinical trials, notably involving Filgotinib in Rheumatoid Arthritis, sponsored by Gilead Sciences. His research work has been published in reputed journals like BMJ Case Reports, Indian Journal of Rheumatology, and the Bengal Physician Journal. He has also contributed a chapter titled “Hands in Rheumatology: Bench to Bedside” in Progress in Medicine (2023). Among his many accolades, Dr. Pradhan was awarded the National Young Investigator Award at OACON 2018 and the Dr. S.K. Das Gold Medal in 2019 for his exceptional contributions to the field. His special interests include autoimmune connective tissue diseases, inflammatory arthritis, vasculitis, osteoporosis, and more. At Manipal Hospital Broadway, Dr. Pradhan is committed to offering holistic, patient-centred care that improves outcomes and quality of life for those living with chronic rheumatologic illnesses.
