

DR. HIMADRI KOLEY

Consultant - Nephrology & Transplant Physician

Qualification

MBBS | MD (General Medicine) | DM (Nephrology)

Overview

Dr. Himadri Koley is an accomplished Nephrologist at Manipal Hospitals, Broadway, with a strong academic foundation and clinical proficiency in diagnosing and managing a wide spectrum of kidney disorders. He completed his MBBS and MD in General Medicine from the prestigious Medical College, Kolkata, and further pursued a DM in Nephrology from the All India Institute of Medical Sciences (AIIMS), Rishikesh—one of the premier medical institutions in India. Dr. Koley holds a special interest in the management of acute kidney injury (AKI), glomerulonephritis, chronic kidney disease (CKD), and post-transplant complications. He is also experienced in renal transplantation and has a particular focus on extracorporeal therapies for critically ill patients. His approach to nephrology care is rooted in clinical accuracy, compassionate delivery, and evidence-based treatment. In addition to his clinical practice, Dr. Koley has contributed significantly to nephrology education and academic discourse. He has mentored trainees in nephrology and has participated as a faculty member at prominent regional conferences such as the Indian Society of Nephrology East Zone Conference (ISNEZCON 2024) and HOPECON

in both 2024 and 2025. These engagements reflect his ongoing commitment to knowledge-sharing and medical excellence. Dr. Koley's research contributions have been featured in several peer-reviewed medical journals. His publications include original studies and systematic reviews on subjects such as catheter-related bloodstream infections, acute kidney injury in different age groups, and comparative outcomes in diabetic versus non-diabetic kidney disease patients. His work has appeared in respected platforms such as the International Journal of Research in Medical Sciences and Kidney International Reports. He is a member of the Indian Society of Nephrology (ISN) and stays actively engaged with advancements in the field. Dr. Koley is fluent in English, Bengali, and Hindi, enabling effective communication with a diverse patient base. Known for his approachable demeanour and clinical diligence, he offers patient-centric care tailored to individual medical needs. Dr. Himadri Koley's presence at Manipal Hospitals, Broadway strengthens the hospital's commitment to delivering advanced, research-informed nephrology and renal transplant care.
