

DR. ARIJIT SINGHA MAHAPATRA

Consultant - Surgical Gastroenterology

Qualification

MBBS | MS | DrNB (Surgical Gastro - HYD)

Overview

Dr. Arijit Singha Mahapatra is a highly skilled and experienced Consultant Surgical Gastroenterologist, Hepato-Pancreaticobiliary (HPB) and GI Onco Surgeon, known for his expertise in advanced gastrointestinal surgeries and a strong academic and clinical background. With an MBBS from Bankura Sammilani Medical College and an MS in General Surgery from the prestigious Medical College and Hospital, Kolkata, Dr. Mahapatra further pursued his super-speciality training (DrNB) in Surgical Gastroenterology and HPB Surgery at Gleneagles Global Hospital, Hyderabad. His training includes hands-on experience in complex GI surgeries and extensive involvement in liver transplant procedures across India, having assisted in over 100 living donor and cadaveric transplants. Dr. Mahapatra's areas of clinical expertise include liver surgeries, pancreatic and bile duct surgeries, esophageal and stomach surgeries, colorectal malignancy surgeries, gallbladder and hernia surgeries, as well as advanced laparoscopic and bariatric procedures. He is especially adept at managing complex gastrointestinal cancers and complications such as bile duct injuries and necrotising pancreatitis. His operative skillset spans both open and

minimally invasive techniques, always prioritising patient safety and precision. His academic contributions are equally noteworthy, with several research publications in national and international journals and numerous oral and poster presentations at prestigious conferences like ISGCON, IASG, and IHPBA. He was honoured with awards for best paper and poster presentations and was selected for the esteemed Torrent Young Scholar programme in Eastern India. Beyond the operating room, Dr. Mahapatra is an enthusiastic educator, having served as an academic instructor at FIAGES and a DNB teacher in previous roles. His passion for teaching and patient education complements his clinical practice. He is the best surgical gastroenterologist in Broadway. Driven by a strong desire to bring specialised GI and liver care closer to his native region, Dr. Mahapatra aspires to establish comprehensive, multidisciplinary services for the people of Eastern India, particularly West Bengal, ensuring access to holistic treatment in collaboration with gastroenterologists and oncologists. Outside of medicine, Dr. Mahapatra is a trained classical musician, a passionate cricket fan, and the lead vocalist of a progressive Bengali rock band — embodying a rare blend of clinical excellence and creative spirit.
