

DR. ARINDAM CHATTERJEE

Consultant - Orthopaedics

Qualification

MBBS | MS (Orthopaedics) | Fellowship in Arthroplasty (Joint Replacement) | Fellowship in Arthroscopy (Sports Injury)

Overview

Dr. Arindam Chatterjee is a Consultant Orthopaedics at Manipal Hospital Broadway in Salt Lake, Kolkata, with clinical interests in arthroscopy, arthroplasty, trauma surgery and sports injury management. His medical registration number is WBMC 70576. He completed his M.B.B.S. at KPCMCH, affiliated with the West Bengal University of Health Sciences, during 2008–2014, followed by an M.S. in Orthopaedics at the Institute of Medical Sciences & SUM Hospital, SOA University, Bhubaneswar, during 2017–2020. His additional training includes fellowships in arthroplasty and arthroscopy, along with AO Basic and Advanced Courses in trauma surgery in Davos, Switzerland. His professional experience includes serving as a Clinical Tutor in Orthopaedics at IPGME&R and SSKM Hospital from 2021 to 2025. He also held an Assistant Professor position at SCCGMCH, Uluberia, in 2025 and worked as an Assistant Professor in Orthopaedics at JIS School of Medical Science & Research from August 2025 to September 2026. His areas of practice include joint replacement, arthroscopic procedures, fracture and trauma care, and sports injury management. Alongside clinical practice, Dr. Arindam Chatterjee has

contributed chapters to the Springer publication Handbook of Orthopaedic Trauma Implantology, covering cutting tools in orthopaedic implantology and indirect reduction techniques in primary fracture management. His research publications address proximal humerus fractures, arthroscopic fixation of posterior cruciate ligament avulsion injuries, pain management following total knee arthroplasty, and other orthopaedic topics. He has also completed BCBR and BCME courses. At Manipal Hospital Broadway in Salt Lake, Kolkata, his clinical focus encompasses orthopaedic assessment and the management of joint, fracture and sports-related conditions. His background combines clinical practice, surgical training, teaching and research across arthroscopy, joint replacement and orthopaedic trauma.

Fellowship & Membership

- Fellowship in Arthroplasty (Joint Replacement) – 2023.
- Fellowship in Arthroscopy (Sports Injury) – 2023 & 2025.
- AO Basic and Advanced Courses in Trauma Surgery, Davos, Switzerland.

Languages Spoken

- English
- Hindi
- Bengali

Awards & Achievements

- Completed BCBR and BCME courses.
- Completed AO Basic and Advanced Courses in trauma surgery, Davos, Switzerland.
