

DR. KISHORE KUMAR PANDA

Consultant - Orthopaedics

Qualification

MBBS | MS (Orthopaedics)

Overview

Dr. Kishore Kumar Panda is a distinguished orthopaedic surgeon renowned for his unwavering commitment to patient well-being. Widely regarded as one the best orthopaedic specialists in Cuttack, Dr. Panda boasts a total of 15 years of experience, with 8 years of focus on the domain. He serves a prominent role as an orthopaedic consultant in the Department of Orthopaedics at Manipal Clincs, Cuttack, Odisha. Dr. Panda's academic pursuit began with a Bachelor of Medicine and Bachelor of Surgery (MBBS) degree from Sambalpur University, followed by a Master of Surgery (MS) in Orthopaedics at Utkal University, Orissa. He also holds fellowships in Joint Replacement Surgery from SIC, CMC, and Hip Preservation, broadening himself in the field of Orthopaedics. His extensive training has enabled him to treat a wide array of complex cases. Dr. Panda's commitment to lifelong study and professional growth highlights his desire to give his patients the best care possible. Dr. Panda's expertise lies in the area of Hip Preservation, where he has pioneered innovative techniques aimed at preserving hip function and halting the progression of degenerative hip diseases. He is also proficient in performing Hip and Knee

Replacement Procedures, giving patients with incapacitating joint disorders a chance to recover their mobility and independence. He is an esteemed member of prestigious societies such as the Indian Orthopaedic Association (IOA), the Association of Orthopaedic Physicians and Surgeons (AOPAS), the International Arthroscopy Association (IAA), and the Orthopaedic Oncology Association (OOA), underscoring his commitment to excellence in the field. As a prominent orthopaedic surgeon, his skillset also encompasses the treatment of complex trauma, Pelvic Acetabulum Surgery, and Replacement Surgeries. His immense acumen in these areas is the result of years of clinical experience, in-depth knowledge, and an unwavering dedication to excellence. Dr. Panda’s precise surgical decisions and compassion ensure each patient receives personalised care tailored to their needs. Moreover, his proficiency in Odia, Hindi, and English adeptly facilitates effective communication with a diverse patient population, enhancing Dr. Panda’s clinical endeavours as a dedicated researcher and educator imparting knowledge to aspiring orthopaedic surgeons.
