

DR. R. V. S. KUMAR

Consultant - ENT

Qualification

MBBS | MS (ENT)

Overview

Dr. R. V. S. Kumar is a distinguished consultant ENT specialist at Manipal Clinics in Cuttack, Odisha. With an illustrious career spanning over 25 years, he is recognised for his exceptional skills and dedication to patient care. Dr. Kumar earned his Bachelor of Medicine, Bachelor of Surgery (MBBS), and MS in ENT from the prestigious S.C.B. Medical College in Cuttack, Odisha. To further enhance his expertise, he pursued advanced training in ENT & Head and Neck Surgery in the United Kingdom, achieving a Diploma in Otorhinolaryngology from the Royal College of Surgeons of England. Dr. Kumar's affiliations extend to being an Affiliate Member of the Royal College of Surgeons of England and the Royal College of Surgeons of Edinburgh. He is also an esteemed member of the Association of Otolaryngologists of India and the Association of Otolaryngologists of Orissa, reflecting his commitment to the ENT community. His professional journey includes significant stints at various renowned hospitals in the United Kingdom. Over the years, Dr. Kumar has honed his skills in a wide range of ENT procedures, including Micro Ear Surgery, Tonsillectomy, Functional Endoscopic Sinus Surgery (FESS), Phonosurgery, and Superficial

Parotidectomy. He is dedicated to addressing specific ENT concerns such as tinnitus, vertigo, speech & swallowing disorders, and snoring, providing specialised care tailored to individual patient needs. Fluent in multiple languages, Dr. Kumar communicates effortlessly in Odia, Hindi, English, Telegu, and Bengali. His linguistic capabilities not only bridge communication gaps but also foster trust and understanding with a diverse patient demographic. Apart from his clinical responsibilities, Dr. Kumar is actively involved in research and academic activities. His holistic approach to patient care, combined with his vast experience and continuous pursuit of knowledge, makes Dr. R. V. S. Kumar a trusted and sought-after ENT consultant in the region.
