

DR. ARJUMANARA HUSSAIN

Consultant Paediatrician & Advanced Lactation Professional

Qualification

MBBS | DCH | DNB | ACLP

Overview

Dr. Arjumanara Hussain is a top pediatrician in Bangalore with more than 11 years of rich experience in dealing with children suffering from various diseases and infections. She is currently practising at Manipal Clinic Begur in Bengaluru. On the academic side, Dr. Arjumanara Hussain completed her MBBS and Diploma in Child Health (DCH) from Assam Medical College and Hospital (AMCH), Dibrugarh, Assam, and earned accolades of highest marks in many undergraduate subjects. She then earned her DNB in paediatrics and neonatology. She is an expert in general paediatrics and emergency paediatrics, and she also has a special interest in lactation and nutrition for newborn babies. After her studies, Dr. Arjumanara Hussain went on to work as a paediatric practitioner at the Paediatric and Neonatology department at the prestigious North Eastern Indira Gandhi Regional Institute of Health and Medical Sciences (NEIGRIHMS), Shillong, Meghalaya and International Hospital, Guwahati, as well as Cloudnine Hospital. Dr. Hussain is multi-lingual and can communicate in English, Hindi, Assamese, Kannada, and Bengali. She is a caring and compassionate doctor who is committed to providing her patients with the best

possible medical attention and care. She is always up-to-date on the latest advances in medicine and is committed to providing her patients with a treatment plan catering to their needs. Dr. Arjumanara Hussain is a valuable asset to the Manipal Clinic Begur's team of doctors.
