

DR. PALLAVI J DHANAPAL

Consultant - OBG

Qualification

MBBS | DGO

Overview

Dr. Pallavi J Dhanapal is the Bangalore best gynecologist. Currently practising as a Consultant - at OBG, Manipal Clinics Begur, Bangalore. With 15 years of rich experience as a gynaecologist, obstetrician, and infertility specialist, she holds a great deal of expertise in treating a range of issues involving women’s reproductive organs and fertility-related problems. She completed her MBBS from BLDEA's Shri B M Patil Medical College, Bijapur, in 2008 and earned her Diploma in Gynecology and Obstetrics (DGO) from JSS University, Mysore, in 2011. As an experienced OBG specialist in Bangalore, Dr. Pallavi J Dhanapal has been helping patients with problems of infertility - evaluation and treatment, vaginal prolapse, nutrition for pregnant women, caesarean section (C-Section), etc. She also specialises in pre and post-delivery care, several gynaec issues, abdominal myomectomy, dysmenorrhea treatment, abdominal hysterectomy, normal vaginal delivery (NVD), Amenorrhoea Treatment, and vaginal hysterectomy. Dr. Pallavi is an expert in providing contraception advice and post-pregnancy classes. Dr. Pallavi started practising as a Duty Doctor at the National Hospital from 2008 to 2009. Between 2011 and 2012, she was associated with

the Cooperative Hospital after which she joined the ARMC Fertility Centre as a gynaecologist and an infertility specialist from 2013 to 2015. Such diverse experience makes Dr. Pallavi a valuable asset to our community. Dr. Pallavi is multilingual and can easily communicate with patients from diverse backgrounds. She takes sufficient time to understand patients' concerns and provide solutions accordingly. She has written several articles related to gynaecological and infertility issues. These have established her as one of the best gynecologist specialist in Bangalore.
