

DR. D HARI KISHOR REDDY

Consultant - Orthopaedics

Qualification

MBBS | MS (Orthopaedics) | MRCS (London) | Fellowship in Arthroplasty (Smith&Nephew)

Overview

Dr. Hari Kishor Reddy Dandu is a skilled orthopaedician in Bangalore, currently practicing at Manipal Clinic, Brookefield as a Consultant - Orthopaedics. With a strong academic background and diverse clinical experience, Dr. Dandu has established himself as a proficient specialist in the field of orthopedics. He completed his MBBS, followed by a one-year internship at the Government General Hospital, Kurnool Medical College. His passion for orthopedics led him to pursue an MS - Orthopaedics. During his residency at Rangaraya Medical College, Andhra Pradesh, he gained experience in the management of complex orthopedic cases. He was actively involved in teaching undergraduate medical students, further enhancing his academic and clinical expertise. Throughout his career, Dr. Hari Kishor Reddy Dandu has continued to excel in both clinical and surgical orthopedic care. Dr. Dandu has developed extensive experience in diagnosing and treating a wide range of orthopedic conditions, such as Upper and Lower Limb Trauma, providing comprehensive medical care, and offering rehabilitation services to patients. His clinical skills include Pelvic Acetabular Surgeries, Arthroplasty – Shoulder and Knee, ACL Tear

Repair, and Llizarov External Fixator. Dr. Dandu's ability to communicate effectively and work well with others from diverse backgrounds has made him a respected and collaborative member of his team. In addition to his clinical practice, Dr. Hari Kishor Reddy Dandu has contributed to the academic community through his research and publications. He co-authored a study on Electrolyte Imbalance in Post-Total Joint Replacement Patients, which was published and presented at several national conferences. His thesis on "Compliance and Morbidity Associated with Ilizarov Ring Fixator in Lower Limb Injuries: Indian Scenario" showcases his research interests and commitment to advancing orthopedic knowledge. Dr. Dandu has participated in numerous conferences and training programs, including KOACON and BOSICON, where he presented his research and shared insights with the wider medical community. As a top orthopaedician in Whitefield, Dr. Hari Kishor Reddy Dandu continues to provide exceptional orthopedic care to his patients while contributing to the academic and research landscape of orthopedics. His dedication to patient care, teaching, and research underscores his commitment to improving outcomes for individuals with orthopaedic conditions.
