

DR. RAJ KUMAR R

Consultant - General & Minimal Access Surgery

Qualification

MBBS | MS | FIAGES | FALS | Minimal Access & Laparoscopic Surgeon

Overview

Dr. Raj Kumar R is a skilled general and laparoscopic surgeon in Brookefield, currently practising as a Consultant – General & Minimal Access Surgery at Manipal Clinic Brookefield, Bangalore. With over 4+ years of surgical experience, Dr. Raj Kumar is proficient in gastrointestinal surgery, minimal access procedures, hernia surgery, laparoscopic cholecystectomy, laparoscopic hernia repair, appendicitis management, and diagnostic laparoscopy, with a strong focus on precision, recovery optimisation, and patient safety. He conducts detailed surgical consultations, gastrointestinal evaluations, minimally invasive treatment planning, and postoperative follow-up management. Dr. Raj Kumar completed his MBBS from Vydehi Institute of Medical Sciences and Research Institute, Bangalore, followed by an MS in General Surgery from Mysuru Medical College and Research Institute, Mysuru. He further advanced his training through Fellowship of the Indian Association of Gastrointestinal Endo Surgeons (FIAGES) and Fellowship in Advanced Laparoscopic Surgery (FALS – Hernia), strengthening his expertise in minimal access gastrointestinal and abdominal procedures. Among the best general surgeons in

Brookefield, Dr. Raj Kumar evaluates patients presenting with abdominal pain, gallbladder disease, appendicitis, hernias, gastrointestinal symptoms, breast abscesses, soft tissue swellings, piles, fissures, fistulas, and other common surgical conditions. His consultation-based approach involves detailed history-taking, physical examination, imaging review, diagnostic guidance, and personalised treatment planning. He places significant emphasis on helping patients understand their diagnosis, expected recovery timelines, and minimally invasive treatment options whenever appropriate. In addition to clinical practice, Dr. Raj Kumar actively participates in workshops, conferences, and continued medical education programmes related to laparoscopic and gastrointestinal surgery. His memberships include the Indian Medical Association (IMA), Association of Surgeons of India (ASI), and Indian Association of Gastrointestinal Endo Surgeons (IAGES). Fluent in English, Kannada, Hindi, Telugu, Tamil, and Bengali, Dr. Raj Kumar ensures that consultations remain comfortable, informative, and accessible for patients from varied backgrounds. His patient-focused consultation style, minimally invasive surgical expertise, and clear communication continue to support informed decision-making and continuity of surgical care.
