

DR. PAVAN KUMAR Y M

Consultant – Medical Gastroenterology

Qualification

MBBS | MD Internal Medicine | DM Medical Gastroenterology

Overview

Dr. Pavan Kumar Y M is a highly accomplished medical gastroenterologist in Brookefield, having over 13+ years of extensive clinical experience across internal medicine, advanced hepatology, pancreatology, and therapeutic interventional endoscopy. He is currently practising as a Consultant - Medical Gastroenterology at Manipal Clinic Brookefield, Bangalore. Dr. Pavan Kumar specialises in the precise diagnosis and comprehensive management of complex gastrointestinal, liver, pancreatic, and biliary tract disorders. His masterful integration of high-resolution diagnostic modalities with minimally invasive therapeutic interventions has positioned him among the best medical gastroenterologists in Brookefield for advanced digestive and hepatobiliary healthcare. Dr. Pavan Kumar completed his foundational MBBS at the prestigious Mysore Medical College and Research Institute, followed by his post-graduate MD in Internal Medicine from the Pt. B. D. Sharma Post Graduate Institute of Medical Sciences, Rohtak. He earned his DM in Medical Gastroenterology from St. John’s Medical College and Hospital, Bengaluru, undergoing advanced residency training in clinical nutrition, gut motility, and

interventional luminal therapies. At Manipal Clinic Brookefield, Dr. Pavan Kumar manages a wide array of highly challenging acute and chronic conditions affecting the digestive tract. His clinical expertise spans gastroesophageal reflux disease (GERD), persistent peptic ulcer disease, inflammatory bowel disease (including Crohn's disease and ulcerative colitis), irritable bowel syndrome (IBS), and life-threatening gastrointestinal bleeding. At Manipal Clinic Brookefield, Dr. Pavan provides comprehensive consultations for patients with acid reflux (GERD), gastritis, peptic ulcer disease, irritable bowel syndrome (IBS), inflammatory bowel disease (IBD), gastrointestinal bleeding, fatty liver disease, and other complex digestive disorders. He also offers expert evaluation and long-term management for patients with chronic liver disease, pancreatic disorders, motility disorders, and hepatobiliary conditions. Known for his technical precision, he has built a strong track record in evaluating and managing complex conditions, establishing his reputation as one of the best liver and stomach specialists in Brookefield, Bangalore. Dr. Pavan is highly skilled in both diagnostic and therapeutic gastrointestinal endoscopies. His expertise includes upper GI endoscopy, colonoscopy, ERCP, endoscopic ultrasound (EUS), capsule endoscopy, FibroScan, high-resolution oesophageal manometry, cystogastrostomy, foreign body removal, stricture dilatation, polypectomy, and metallic stenting. His special interests include hepatology, pancreatology, luminal gastroenterology, and advanced interventional endoscopy, enabling him to deliver minimally invasive, patient-centred care for complex gastrointestinal conditions. Dr. Pavan is a member of the Indian Society of Gastroenterology (ISG) and has successfully cleared the European Speciality Examination in Gastroenterology and Hepatology (ESEGH). Fluent in Kannada, English, and Hindi, he is committed to providing evidence-based treatment, personalised care, and clear communication to help patients achieve better digestive and liver health.
