

DR. DEEPIKA H K

Consultant - Obstetrics & Gynaecology

Qualification

MBBS | MS | FMAS (Laparoscopy and Robotics)

Overview

Dr. Deepika H K is a distinguished Consultant in Obstetrics and Gynaecology at Manipal Clinics Budigere. With a comprehensive background in both clinical practice and academic contributions, Dr. Deepika brings a wealth of experience and a compassionate approach to patient care. Her field of expertise encompasses a wide range of obstetric and gynaecological minimally invasive surgeries, including Laparoscopy, Robotic, and Hysteroscopic surgeries. Her skills extend to managing vaginal births, caesarean sections, high-risk obstetric cases, fertility treatments, and colposcopy. Her commitment to providing advanced care is evident in her ability to handle emergency cases with precision and empathy. Dr. Deepika’s journey in medicine began with her MBBS from MIMS, Mandya after which she pursued her MS in Obstetrics and Gynaecology at Jawaharlal Nehru Medical College, Uttar Pradesh. Additionally, she earned a Level 1 Certificate in Robotic Surgery from the AGRS-Society of European Robotic Gynecological Surgery and completed the FOGSI - Advanced Laparoscopic Gynecology Skill course. Her dedication to advancing her skills in minimally invasive procedures led her to complete a Fellowship in

Minimal Access Surgery, Laparoscopy, and Robotics. As a top gynaecologist in Bangalore, Dr. Deepika H K has gained valuable experience across various esteemed institutions during her education and training. She has also been involved in academia, teaching the future generation of doctors. Dr. Deepika's contributions are complemented by her active participation in conferences and certification courses. She has completed a Comprehensive Colposcopy course with a hands-on LEEP Workshop at AICC RCOG and participated in various national and international conferences, including Robo Gyny India 2023, Endometriosis Society of India-Endometriosis India 2023, Advances in Urogynecology - Sphincter Summit 2023, and the International Federation of Cervical Pathology and Colposcopy (IFCPC) 2021. Her academic excellence is highlighted by her paper and video presentations at AGRS 2023 and her chapter on Robotic OT Setup and Docking in the AICOG 2024 workshop manual. As a medical professional, Dr. Deepika H K is a member of several prestigious associations, including the Association of Gynecological Robotic Surgeons of India, the Stillbirth Society of India, the Bangalore Society of Obstetrics and Gynecology - FOGSI, and the Endometriosis Foundation of India. These memberships reflect her commitment to staying at the forefront of her field and contributing to the advancement of gynaecological practice. Her dedication to patient care is characterised by her empathetic approach, ensuring that patients are well-informed and comfortable throughout their treatment journey.
