

DR. BHANUPRAKASH P N

Consultant - ENT & Head and Neck Surgery

Qualification

MBBS | MS | ENT

Overview

Dr. Bhanuprakash P N is an ENT & Head and Neck Surgeon in Bangalore, practising as a Consultant - ENT & Head and Neck Surgery at Manipal Clinic Budigere Cross. Dr. Bhanuprakash provides comprehensive and precise care in Otorhinolaryngology, with a strong focus on medical and surgical management of disorders related to the ear, nose, throat, head, and neck. His core areas of expertise include otology, rhinology, laryngology, vertigo, headache disorders, allergy management, and neck swellings. Dr. Bhanuprakash completed his MBBS from Hassan Institute of Medical Sciences and then pursued an MS - Oto-Rhino-Laryngology from the prestigious Bangalore Medical College and Research Institute, both under Rajiv Gandhi University of Health Sciences, Karnataka. This specialization solidified his surgical and clinical acumen in ENT and head and neck surgery. His surgical portfolio includes functional endoscopic sinus surgery (FESS), septoplasty, tympanoplasty with ossiculoplasty, cortical and canal wall down mastoidectomies, thyroidectomy, parotidectomy, submandibular gland excision, and microlaryngeal surgeries. Dr. Bhanuprakash is highly proficient in performing endoscopic and microscopic surgeries of the ear, nasal cavity, sinuses, pharynx, larynx, and salivary glands. He

also performs precise rhinostomies, orbital decompression, CSF leak repairs, endoscopic DCRS, and foreign body removals. He adopts a holistic diagnostic approach that integrates clinical history, endoscopic examination, audiological evaluation, and radiological imaging to develop individualised treatment plans for his patients. His evidence-based interventions are effective and minimally invasive wherever possible, whether it's managing chronic sinusitis, hearing loss, vertigo, nasal obstruction, tonsillitis, or thyroid swellings. Dr. Bhanuprakash remains deeply committed to offering the highest standards of ENT care. His structured clinical methods and compassionate approach make him a preferred ENT surgeon for patients across age groups. He is primarily known for building trust through transparent communication and ensuring his patients are fully informed about their treatment journey, fostering confidence and reassurance. With a strong academic inclination, Dr. Bhanuprakash continually updates his knowledge and surgical skills through workshops, hands-on training, and clinical presentations. His exposure to various head and neck conditions has shaped him into a dependable and well-rounded ENT surgeon capable of handling even the most challenging cases. Dr. Bhanuprakash P N speaks Kannada, English, and Hindi, enabling him to interact fluently with a diverse patient population and provide accessible, empathetic care.
