

DR. PRIYANKA UNNIKRISHNAN NAIR

Consultant - Dermatology

Qualification

MBBS | MDVD

Overview

Dr. Priyanka Unnikrishnan Nair is an experienced dermatologist in Bangalore, practising as a Consultant - Dermatology, Venerology & Cosmetology at Manipal Clinic Budigere Cross. A dedicated dermatologist with over 12+ years of experience in dermatology, Dr. Priyanka is known for her empathetic approach and thorough clinical acumen, as she provides expert care in treating various skin, hair, and nail disorders in adult and pediatric populations. Her practice is deeply rooted in evidence-based medicine, focusing on personalised treatment outcomes. Dr. Priyanka completed her MBBS from the Amrita Institute of Medical Sciences, Kerala, followed by an MD in Dermatology, Venereology, and Leprosy from Dr. DY Patil Medical College, Pune. Her academic journey has given her a strong medical and aesthetic dermatology foundation, allowing her to treat complex dermatological conditions with precision and compassion. Dr. Priyanka is proficient in managing chronic skin conditions such as acne, eczema, psoriasis, urticaria, fungal infections, and pigmentary disorders. She also provides expert care for sexually transmitted diseases, offering confidential and effective treatment plans. Her specialisation extends

to trichology, where she manages hair loss, scalp disorders, and alopecia through comprehensive diagnostics and therapies. With a deep interest in aesthetic dermatology, Dr. Priyanka Unnikrishnan Nair performs various cosmetic procedures, including chemical peels, botulinum toxin injections, dermal fillers, laser therapies, skin rejuvenation treatments, among others. Her patient-centric approach ensures that every cosmetic treatment plan is tailored to suit individual skin types, goals, and expectations. Dr. Priyanka emphasises the importance of holistic skin health and educates her patients on proper skincare regimens and preventive measures. She also keeps herself updated with the latest advancements in dermatology and regularly participates in clinical discussions, workshops, and dermatology forums. She aims to blend science with compassion, providing care that enhances skin health and confidence. Her experience at Manipal Clinic Budigere allows her to work in a multidisciplinary environment where dermatological care integrates seamlessly with internal medicine, endocrinology, paediatrics, and other specialities, ensuring patients receive the most comprehensive and coordinated treatment possible. Dr. Priyanka speaks English, Hindi, Malayalam, and Tamil, enabling her to communicate effectively with patients from diverse backgrounds.
