

DR. SWATHI Y

Consultant - Obstetrics & Gynaecology

Qualification

MBBS | DNB (OBG)

Overview

Dr. Swathi Y is an experienced obstetrician and gynaecologist in Budigere, Bangalore, with more than 10+ years of experience in women's health and maternity care. She is currently practising as a Consultant - Obstetrics & Gynaecology at Manipal Clinics Budigere, where she provides comprehensive care for pregnancy, gynaecological conditions, and reproductive health. With her strong clinical background in both academic and corporate hospital settings, Dr. Swathi is regarded as one of the best gynaecologists in Budigere for personalised obstetric and gynaecological care. Dr. Swathi completed her MBBS from Narayana Medical College, Nellore, followed by a DNB in Obstetrics & Gynaecology from Bhagwan Mahaveer Jain Hospital, Bengaluru, accredited by the National Board of Examinations, New Delhi. She further enhanced her surgical expertise through specialised training in laparoscopy at the BEST Institute and Research Centre, Bengaluru. Her training has enabled her to develop strong skills in managing complex obstetric cases and performing gynaecological procedures using both conventional and minimally invasive approaches. With over a decade of clinical experience, Dr. Swathi

specialises in the management of high-risk pregnancies and comprehensive antenatal care. Her expertise includes handling complicated obstetric conditions such as preeclampsia, intrauterine growth restriction (IUGR), and antepartum haemorrhage, as well as performing routine and emergency deliveries, including caesarean sections and instrumental deliveries. She also manages common gynaecological concerns, including menstrual irregularities, hormonal disorders, and fertility issues. Dr. Swathi’s gynaecological expertise includes procedures such as hysteroscopy, dilation and curettage (D&C), dilation and evacuation (D&E), and assistance in advanced surgeries, including total laparoscopic hysterectomy, abdominal and vaginal hysterectomy, and myomectomy. She also provides counselling and treatment related to medical termination of pregnancy (MTP), contraceptive planning, and women’s preventive health screening. Fluent in English, Kannada, Telugu, and Hindi, Dr. Swathi ensures clear communication and patient comfort during consultations. Her compassionate and patient-centred approach, combined with extensive clinical experience in maternity care and gynaecological procedures, makes her one of the best gynaecologists in Budigere for women seeking reliable and comprehensive reproductive healthcare.
