

DR. AKSHAY ANCHALIA

Associate Consultant - Orthopaedics

Qualification

M.B.B.S. | M.S. Orthopaedics

Overview

Dr. Akshay Anchalia is a dedicated orthopaedic surgeon at Manipal Clinic Dhanori, Pune, specialising in trauma care, hip and knee joint replacement, and complex orthopaedic procedures. With extensive training and experience across renowned medical institutions, he is committed to delivering advanced and patient-focused orthopaedic care. After completing his M.B.B.S. from Bharati Vidyapeeth Deemed University, Pune, and M.S. in Orthopaedics from Dr. D.Y. Patil Medical College, Kolhapur. Dr. Anchalia pursued a fellowship in Hip and Knee Joint Replacement under Dr. Vijay Shetty at Saanvi Orthopaedics, Mumbai. During this period, he assisted in a wide range of primary and revision hip and knee arthroplasty procedures, building strong expertise in joint preservation and reconstruction. At Manipal Clinic Dhanori, he is actively involved in elective and emergency trauma surgeries for both adults and children, as well as advanced joint replacement procedures. His previous experience includes working as an Assistant Professor at Pune and as a Senior Resident at a renowned Institute, Karad, where he managed complex trauma cases, spine surgeries, and hemiarthroplasty while also teaching medical

students. Dr. Anchalia has also contributed to research, publishing studies on fracture fixation and surgical outcomes in reputed journals. His academic and clinical background make him well-equipped to handle complex orthopaedic conditions with precision and compassion. He is known for his approachable nature and patient-first approach. His professional interests lie in complex trauma surgery and advanced hip and knee arthroplasty. With his expertise and dedication, Dr. Akshay Anchalia ensures that patients at Manipal Clinic Dhanori receive the highest standard of orthopaedic care.
