

DR. ABHISHEK SONI

Consultant - Spine care

Qualification

MBBS | MS | FNB (Spine Surgery)

Overview

Dr. Abhishek Soni is an top experienced medical professional who is currently practising as a Consultant - Spine Care, at Manipal Clinics in Indiranagar, Bangalore. He is a well-respected surgeon known for his dedication to patient care, empathetic approach, and meticulousness. Dr. Soni has been a precious asset in the medical community since the beginning of his profession. He started his medical career by completing his MBBS from BJ Medical College, and then he pursued his MS in Orthopaedics from the Civil Hospital, Ahmedabad. It was during the initial phase of his medical education that he showed a keen interest in the intricacies of spine surgery. This passion allowed him to pursue a specialised FNB Fellowship in Spine Surgery at Manipal Hospitals, Bangalore. Such expert exposure and elaborate academic background have positioned Dr. Abhishek Soni as one of the most knowledgeable spine surgeons in Bangalore. Therefore, he is regarded as a top spine surgeon in Bangalore. Dr. Abhishek Soni specialises in different aspects of Spine Care. This includes minimally invasive spinal surgery, disc herniations, degenerative disc diseases, spinal deformities, spinal tumours, robotic-assisted spine surgery, spine

infection and tuberculosis, revision spine surgery, spinal fusions, non-operative care, vertebroplasty, and kyphoplasty. His expertise extends to deformity correction surgeries and non-operative management, too. Dr. Soni is not just a professional expert but also a kind human being. He makes sure that his patients feel at ease during the entire treatment procedure, including post-operative care. Dr. Abhishek Soni aims to reduce the complications as much as possible with a thorough follow-up plan. This exclusive approach makes him one of the best spine surgeons in Bangalore. The sheer importance of accurate communication in the medical world can never be understated. With that in mind, Dr. Abhishek has elevated his communication skills to the best possible level. He is highly compassionate and kind towards his patients, explaining every minute detail of spine care to them in the easiest way. Besides, he is multilingual and can fluently speak English, Hindi, Bengali, Urdu, and Kannada which helps him connect with his patients and hold a knowledgeable communication with his patients without the constraints of regional and linguistic barriers. Moreover, Dr. Abhishek Soni has gained extensive expertise in managing a wide spectrum of spine ailments and surgeries during his fellowship programme. He is motivated to extend his expertise in providing quality treatment with the help of technology. All of these aspects, combined with his keen judgement and accurate diagnosis, make Dr. Abhishek Soni a well-recognised and respected spine surgeon.
