

**DR. PRAMOD KRISHNAN**

HOD & Consultant - Neurology Epileptology & Sleep Medicine

**Qualification**

MBBS | MD (General Medicine) | DM (Neurology)

## Overview

Dr. Pramod Krishnan currently serves as the Head of the Department and Consultant in Neurology, Epileptology, and Sleep Medicine at the Manipal Hospitals, Clinic Indiranagar, Bengaluru. With an excellent academic background, he has acquired the vital qualifications to excel in his field. Dr. Pramod Krishnan's areas of specialisation include multiple sclerosis, demyelinating diseases and other epilepsy-related disorders, as well as sleep medicinal drugs. Dr. Krishnan completed his MBBS from the Kempegowda Institute of Medical Sciences (KIMS), Bangalore, in 2001; MD in General Medicine from the Vijayanagara Institute of Medical Sciences (VIMS), Bellary, in 2006; and DM in Neurology from the National Institute of Mental Health and Neurosciences (NIMHANS) in 2011. His fluency in more than one language, which includes Kannada, Hindi, English, Tamil and Malayalam, permits him to effectively communicate with patients from numerous backgrounds. Dr. Krishnan worked as a Neurologist at Manipal Hospital, Rustum Bagh, HAL Airport Road, Bangalore, from 2011 to 2012. Then he continued to work as a Consultant Neurologist, Epileptologist, and Sleep Medicine Specialist at Manipal Hospital,

Bangalore, from 2013 to 2018. Dr. Krishnan is a top neurologist in Bangalore. Dr. Krishnan has been presented the Silver Jubilee Award (Best Outgoing Student in DM Neurology) and won the award for Postgraduate Resident in Neurology. Furthermore, he has received accolades such as the Aventis Pharma Award for Best Outgoing Student in MBBS course, the Hoechst Marion Roussel Gold Medal in MBBS course, the Prof. C Vittal Golden Independence Commemorative award, and the Pfizer award in MBBS course for being a top achiever. He has also been awarded a gold medal in ENT. Dr. Pramod Krishnan's dedication to sharing knowledge and raising attention is clear through his talks and guides. The doctor is quite an accomplished and esteemed neurologist, regarded for his knowledge in neurology, epileptology, and sleep medicine. He has brought informative talks on subjects such as epilepsy, seizures, stroke, bulimia nervosa, and early identification of scientific situations. He holds memberships in the American Academy of Neurology (AAN), Indian Academy of Neurology, Indian Epilepsy Association (IEA), and the Bangalore Neurological Society. In addition to his medical work, Dr. Krishnan has contributed to national and worldwide courses, similarly establishing his popularity as an expert within the field of neurology. His research and guides offer precious insights and contribute to the advancements in the prognosis, treatment, and prevention of neurological problems. Some of Dr. Pramod Krishnan’s services include epilepsy treatment, multiple sclerosis treatment, sleep disorder treatment, dementia treatment, vertigo treatment, migraine treatment, fibromyalgia treatment, Vagus nerve stimulation (epilepsy), Parkinson's disease treatment, and epilepsy surgery.
