

DR. SABINA TOPPO

Consultant - Radiologist

Qualification

MBBS | DMRD

Overview

Dr. Sabina Toppo is an experienced radiologist in Bangalore, currently practising as a Consultant - Radiology at Manipal Clinic Indiranagar. She has over 25+ years of dedicated experience in diagnostic radiology, with a special focus on women's imaging. Renowned for her clinical precision, compassionate care, and commitment to quality diagnostics, Dr. Sabina has a keen interest in Ultrasonography and Gynaecology Imaging - Transvaginal Sonography and Breast Imaging - Sonomamograms and Mammography, establishing her as a trusted name in the field of radiology. Dr. Sabina Toppo holds an MBBS and a Diploma in Medical Radio Diagnosis (DMRD). Throughout her career, she has actively contributed to the evolution of imaging services, combining her deep clinical knowledge with the latest advancements in radiological technology. Dr. Toppo's approach to radiology is highly patient-centred. She believes in maintaining strong communication with referring physicians and consulting teams to deliver collaborative and efficient care. At Manipal Clinics Indiranagar, Dr. Sabina provides a broad range of radiological services, interpreting complex imaging studies with high accuracy and ensuring that her reports are clinically

meaningful and actionable. Her special interest in women's imaging allows her to provide sensitive and focused diagnostic assessments in areas such as uterine and ovarian pathology, early pregnancy evaluation, breast lesions, and high-risk breast screening for the early detection of breast cancer. Dr. Sabina remains actively involved in continuing medical education. She is a life member of several prestigious academic and professional bodies, including the Indian Radiological and Imaging Association (IRIA), Indian College of Radiology (ICIR), Indian Society of Paediatric Radiology (ISPR), Breast Imaging Society of India (BISICON), and the Indian Medical Association (IMA). Her affiliation with these organisations reflects her dedication to staying abreast of emerging trends and maintaining the highest standards in diagnostic practice. With empathetic patient care, Dr. Sabina ensures every patient feels at ease during procedures, particularly those undergoing sensitive imaging such as transvaginal scans or breast studies. She continues to enhance diagnostic precision, support comprehensive patient evaluations, and uphold the values of ethical, evidence-based practice in every aspect of her work. Fluent in English, Hindi, Kannada, and Bengali, Dr. Sabina Toppo is a well-equipped radiologist in Indiranagar, Bangalore, to serve a diverse patient population with clarity, warmth, and professionalism.
