Overview

Meet Dr. Shobhika Selvaraj, a leading gynecologist in Bangalore, based at Manipal Hospitals, Sarjapur Road, Bengaluru. With an illustrious career, she has held key positions as a Senior Registrar and Assistant Surgeon at prestigious teaching institutes, including Madras Medical College - Chennai, Coimbatore Medical College, and Salem Medical College. Dr. Shobhika's expertise encompasses preconception consultation, infertility treatment, and the management of high-risk pregnancies. Her track record includes over 3000 deliveries, a mix of natural births and C-sections, along with more than 100 instrumental deliveries using vacuum and forceps. Notably, she is proficient in conducting vaginal births after cesarean (VBAC). Dr. Shobhika has extensive experience in performing various Gynaec surgeries, including procedures for Ectopic pregnancy, D&C, Oophorectomy, Hysterectomy, Sterilisation, Cervical biopsy, and Colposcopy. Her capabilities extend to handling Obstetric emergencies and ICU management. As a member of esteemed organisations like "The Federation of Obstetrics & Gynaecological Societies [FOGSI]" and the "Royal College of Obstetrics & Gynaecology London," Dr. Shobhika is

committed to excellence. She has contributed to notable publications, including "Prevalence of Heart Disease in Pregnant Women" and "Comparison of various methods of second-trimester Medical Termination of Pregnancy." Fluent in English, Hindi, Telugu, Malayalam, and Tamil, Dr. Shobhika ensures effective communication with patients. Her holistic approach to patient care prioritises long-term wellness goals and emphasises respectful maternity care. Experience compassionate and expert healthcare with this top gynaecologist specialist in Bangalore.
