

DR. ULKA GUNDAJI BHOKARE

Visiting Consultant - Ophthalmology

Qualification

MBBS | MS

Overview

Dr. Ulka Gundaji Bhokare is a distinguished ophthalmologist in Bangalore. She's currently practising as a Visiting Consultant Ophthalomology Doctor in Sarjapur Clinic, Bangalore. With a solid foundation in medical education and over 15 years of clinical experience, Dr. Bhokare is known for her expertise in managing a wide range of ophthalmic conditions, her dedication to patient care, and her commitment to medical education. Dr. Bhokare's field of expertise encompasses the medical management of anterior segment diseases, including comprehensive care for cataracts and corneal disorders. She is skilled in screening for diabetic retinopathy and hypertensive retinopathy, providing essential services for the early detection and management of these conditions. Her proficiency extends to paediatric and adult refraction, health check screenings, and oculoplasty. Additionally, her skills in handling glaucoma offer patients advanced diagnostic and therapeutic options for this potentially sight-threatening condition. Dr. Ulka's medical journey began at the Government Medical College in Miraj, where she earned her MBBS and later completed her MS in Ophthalmology. Her postgraduate training was enriched by

advanced clinical skill enhancement programs at several renowned eye institutions. Notably, she received diagnostics skills training at the prestigious Zeiss Academy. She further honed her expertise with a short-term fellowship in glaucoma at the Aravind Eye Hospital in Coimbatore and specialised training in medical retina at the H V Desai Eye Hospital in Pune. In her professional career, Dr. Ulka Gundaji Bhokare has held significant positions, including her role as an Ophthalmic Surgeon. She also contributed to medical education as an undergraduate student teacher at Oxford Medical College, Bengaluru. Her clinical practice is complemented by her registration with the Karnataka Medical Council (KMC) and her active participation as a lifetime member of the All India Ophthalmic Society (AIOS) and the Bangalore Ophthalmic Society (BOS). Dr. Bhokare is known for her empathetic approach, which is a cornerstone of her patient care philosophy. She is committed to patient education, excelling in explaining complex medical conditions in a detailed and comprehensible manner. This ensures that her patients fully understand their diagnoses and treatment options, making them feel understood and cared for. Her ability to communicate effectively is backed by her multilingual capacity. She is fluent in English, Hindi, and Marathi, which enables her to connect easily with her patients. Besides, her patience in addressing patient queries are hallmark of her practice. Dr. Ulka’s dedication to ophthalmology is reflected in her ongoing commitment to professional development and her active involvement in ophthalmic societies. This ensures that she stays abreast of the latest advancements in her field, providing her patients with the most effective and innovative treatments. Her extensive experience and specialised training make her a valuable asset to the field and a trusted healthcare professional for her patients.
