

DR. ANKIT KAURA

Associate Consultant - Neurosurgery

Qualification

MBBS | MS | Mch (GOLD MEDALIST)

Overview

Dr. Ankit Kaura is an accomplished Associate Consultant in Neurosurgery with over 4 years of clinical experience. A gold medallist in MCh Neurosurgery, he brings precision, dedication, and academic excellence to his role at Manipal Hospitals. Fluent in Hindi, English, and Punjabi, Dr. Kaura ensures clear communication and compassionate care for a diverse patient base. Dr. Kaura completed his MBBS, followed by MS in General Surgery, and went on to pursue his MCh in Neurosurgery, where he was awarded a gold medal for his outstanding academic performance. His keen research interest and surgical expertise are evident through his significant contributions to medical literature and clinical presentations. His MCh thesis titled “The Study Of Surgical Outcomes In Traumatic Brain Injuries With Acute Bilateral Mass Occupying Lesions” reflects his focused interest in managing complex neurotrauma cases. Similarly, his MS thesis explored the Ligation of the Intersphincteric Fistula Tract (LIFT)—a sphincter-sparing surgical technique for complex anal fistulas, showcasing his early commitment to minimally invasive and patient-friendly surgical approaches. Dr. Kaura’s academic pursuits have earned him multiple

accolades, including the Best Paper Presentation Award at the 78th Annual Conference ASICON-2018. He has delivered impactful presentations at reputed conferences such as the Annual Meeting of the Association of Neurosurgeons of North West Zone. His topics include advanced neurosurgical interventions such as Endoscopic Endonasal Removal of Transorbital Penetrating Intracranial Injury by Wooden Foreign Body, a novel approach in neurosurgical practice. Additionally, he has published in peer-reviewed journals, including a notable paper on Emphysematous Pyelonephritis caused by E. coli and Candida albicans—a rare and critical infection. Known for his meticulous surgical skills and commitment to continuous learning, Dr. Kaura is dedicated to providing high-quality neurosurgical care using evidence-based practices. Patients seeking expert treatment for neurological conditions in a compassionate and trustworthy environment can confidently consult Dr. Ankit Kaura at Manipal Hospitals.
