

DR. SUBRATA SAHA

Consultant – Medical Oncologist

Qualification

MD | DIP CARD | MAUF | UICC Fellow

Overview

Dr. Subrata Saha is a highly accomplished consultant in the Department of Medical Oncology at Manipal Hospitals, Dhakuria, with over 40 years of experience in the field of cancer care. Trained both in India and abroad, he holds an MBBS degree and an MD in Radiotherapy from Calcutta University. He earned prestigious UICC Fellowships from Arthur James Cancer Hospital at Ohio State University (USA) and the University Hospital of Vienna (Austria). His comprehensive training spans Medical, Radiation, and Surgical Oncology, enabling him to provide holistic and advanced cancer care. Dr. Saha is widely recognised for his expertise in treating a broad range of cancers, including those of the head and neck, lungs, breast, gastrointestinal tract, urological system, and gynaecological organs. He employs the latest technologies, such as Image-Guided Adaptive Radiotherapy (IGRT), Stereotactic Radiosurgery (SRS), Proton Beam Therapy, and Brachytherapy. His specialised focus also includes advanced Chemotherapy regimens and Immunotherapy for solid tumours. Known for his patient-centred approach, Dr. Saha combines cutting-edge medical interventions with compassionate, personalised care. His

participation in global collaborations and research supports his commitment to improving clinical outcomes. He regularly contributes to national publications and medical platforms, promoting awareness of early diagnosis and comprehensive cancer care. Moreover, Dr. Saha has been recognised with several prestigious honours, including the ESTRO Travel Award and the Best Paper Award at the American Brachytherapy Conference. Fluent in Bengali, English, and Hindi, Dr. Saha ensures effective communication across a diverse patient base. His dedication to excellence and continued innovation in Oncology make him one of the most respected cancer specialists in Kolkata.
