

DR. SUMANTRA RAY

Consultant - General Surgeon

Qualification

MBBS | MS | DMAS (Bariatric Surgery)

Overview

Dr. Sumantra Ray is a highly esteemed general and laparoscopic surgeon at Manipal Hospitals, Dhakuria, with over 15 years of extensive experience in Medical Gastroenterology. Renowned for his expertise, Dr. Ray earned his MS (Master of Surgery) from Kolkata following his MBBS (Bachelor of Medicine and Bachelor of Surgery). He actively participates in various professional organisations and holds prestigious memberships in institutions such as the Royal College of Surgeons, Edinburgh, the International College of Laparoscopic Surgeons (ICLS), and the Association of Surgeons of India (ASI). Dr. Ray furthered his specialisation by completing a DAMS (Diploma in Ayurvedic Medical Science) in Bariatric Surgery from the Association of Minimal Access Surgeons of India. Recognised for his significant contributions, Dr. Ray received fellowships from the Indian Association of Gastrointestinal Endo Surgeons (FIAGES) and in Minimal Access Surgery (FMAS). He served as a senior resident in the Surgery and Renal Transplant Department and underwent specialised training in Advanced Trauma Life Support (ATLS), critical care, laparoscopic hernia repair, and Laparoscopic Solid Organ Surgery. Dr. Ray's

expertise extends to Kidney Transplants, Vascular Surgery (hemodialysis), Breast and Endocrine Surgery, and Trauma Surgery, with a proven track record of assisting in over a thousand successful cases. Dr. Ray has authored publications in various esteemed journals and presented papers at numerous national and international conferences. Actively engaged in academic research and workshops, he has been invited to deliver lectures at conferences. Throughout his illustrious career, Dr. Ray has made significant strides in advancing minimally invasive techniques, showcasing innovative approaches through groundbreaking research and dedicated practice.

Fellowship & Membership

- Fellowship in Minimal Access Surgery, The Association of Minimal Access Surgeons of India.
- Fellowship of Indian Association of Gastrointestinal Endo Surgeons (FIAGES).
- Member of International College of Laparoscopic Surgeons.

Field of Expertise

- Skilled in various routine and complex surgical procedures, ensuring the highest standards of patient care and surgical outcomes.
- Expert in minimally invasive techniques that reduce recovery times and improve surgical precision, covering a broad spectrum of conditions.
- Specialises in the surgical treatment of gastrointestinal tract disorders, including both upper and lower GI conditions, with a focus on enhancing patient recovery and long-term health.
- Utilises advanced laser technology to treat anorectal conditions, offering patients minimally invasive options with

faster healing times and less post-operative discomfort.
- Provides surgical solutions for obesity and its related complications, helping patients achieve significant weight loss and improve their overall quality of life through procedures like gastric bypass and sleeve gastrectomy.
