

DR. MAHUYA BHATTACHARYYA

Senior Critical Care Consultant and Physician

Qualification

MBBS | MD (Internal Medicine)

Overview

Dr. Mahuya Bhattacharyya is a distinguished senior consultant and physician at Manipal Hospitals, Dhakuria, specialising in critical care medicine and internal medicine. With over two decades of clinical practice, she has demonstrated exceptional proficiency and dedication in managing critically ill patients, with a focus on complex conditions such as sepsis, trauma, ECMO utilisation, and advanced organ support. Dr. Bhattacharyya actively contributes to cutting-edge research, with a particular emphasis on sepsis management, implementation of quality indicators, antibiotic stewardship, and novel therapeutic interventions. Her research efforts significantly advance the field's knowledge and enhance patient care standards. Beyond her clinical and research endeavours, Dr. Bhattacharyya is deeply committed to medical education and mentorship. Her role as a respected faculty member of the National Board underscores her dedication to shaping the next generation of healthcare professionals. Moreover, her frequent invitations as a keynote speaker at national-level Critical Care conferences underscore her recognised expertise and leadership in the field. Dr. Bhattacharyya's professional affiliations include prestigious

fellowships such as the Association of Physicians of India (API), the Indian Society of Critical Care Medicine (ISCCM), and the European Society of Intensive Care Medicine (ESICM), reflecting her commitment to staying at the forefront of medical advancements and fostering collaboration within the global medical community. Dr. Bhattacharyya has a remarkable fluency in English, Bengali, and Hindi, enabling her to establish clear and empathetic communication channels with patients from various cultural backgrounds and linguistic preferences. This linguistic versatility ensures effective rapport-building and comprehensive understanding during medical consultations, enhancing the overall patient experience.

Fellowship & Membership

- Association of Physicians of India (API)
