

DR. JASASHWI CHAKRABORTY

Consultant - Hematology

Qualification

MBBS (HONS) | MD | DM (Clinical Hematology)

Overview

Dr. Jasashwi Chakraborty, a renowned haematology consultant, brings a wealth of experience and expertise to the esteemed team at Manipal Hospitals Dhakuria, Kolkata. With a career spanning over a decade, Dr. Chakraborty has become a trusted name in the field of Haematology, focusing on the diagnosis and treatment of various blood disorders. Dr. Chakraborty's journey into the field of Haematology began with a solid foundation in medical education, an MBBS degree followed by specialisations in MD (Pathology) and DM (Clinical Haematology). During his postgraduate training, he developed a keen interest in the clinical aspects of haematology, particularly in areas such as haemophilia, lymphoma, and congenital marrow failure syndromes. Driven by a passion for providing the best possible care for his patients, Dr. Chakraborty emphasises a holistic approach to treatment. He combines clinical examination-based therapy with advanced laboratory investigations to tailor personalised care plans for each patient. His dedication to staying abreast of the latest advancements in the field is evident through his voracious reading habits and active participation in academic activities and conferences, both nationally

and internationally. Dr. Chakraborty's expertise extends to the management of haemophilia, where he employs state-of-the-art therapies and personalised care plans to optimise patient outcomes. He also demonstrates proficiency in the comprehensive management of non-Hodgkin lymphoma, from precise diagnosis to advanced treatment modalities. Additionally, Dr. Chakraborty specialises in addressing inherited marrow failure syndromes, utilising a multidisciplinary approach to provide tailored treatment strategies. As a firm believer in collaborative healthcare, Dr. Chakraborty values teamwork and collaboration, recognising the importance of engaging with patients and their families regularly. Fluent in English, he ensures effective communication to foster a supportive environment for his patients. Dr. Chakraborty's dedication and expertise have been recognised through various accolades, including the prestigious Raghunath Pramanik Gold Medal from North Bengal Medical College.
