

DR. NIRUP DATTA

Consultant - Neurosurgery

Qualification

D.N.B NEUROSURGERY

Overview

Dr. Nirup Datta is a distinguished consultant in the Department of Neurosurgery at Manipal Hospitals, Dhakuria, Kolkata, with over 17 years of experience, including 6 years as a specialist, and is renowned for his expertise in Paediatric Neurosurgery and Complex Spine Surgeries. His commitment to delivering exceptional patient care. With a focus on advancing the field of Neurosurgery, Dr. Datta has established a noteworthy reputation through numerous successful surgeries and ongoing contributions to medical research. Dr. Datta's medical journey began in Pokhara, Nepal, where he completed his medical education. He further specialised in neurosurgery, obtaining a DNB in Neurosurgery in Kolkata and honing his skills in both Spine and Cranial Surgery. Dr. Datta's passion for Paediatric Neurosurgery has led him to actively engage in over 50 surgeries focused on paediatric cases, demonstrating his dedication to providing optimal care for young patients with neurological conditions. As a member of esteemed organisations such as the Neurological Society of India, the Neurological Surgeons' Society of India, the International Society for Pediatric Neurosurgery, the Indian Society for Pediatric Neurosurgery,

and the Indian Medical Association, Dr. Datta remains committed to staying abreast of the latest advancements in neurosurgery. Dr. Datta's expertise extends to providing advanced neurosurgical care for paediatric patients, employing Minimally Invasive Techniques for Brain and Spine Surgeries, managing vascular issues within the nervous system, and performing Endoscopic Procedures involving the skull base. His proficiency in these areas ensures precise and minimally disruptive interventions, resulting in improved patient outcomes and quicker recovery times. Dr. Datta epitomises excellence in the field of Neurosurgery at Manipal Hospitals, Dhakuria, Kolkata. His unwavering commitment to patient care, coupled with his exceptional surgical skills and dedication to advancing the field, makes him an invaluable member of the medical team. Fluent in English, Hindi, and Bengali, Dr. Datta ensures effective communication with his patients and colleagues, fostering trust and understanding in all interactions.
