

DR. RITWIK GANGULI

Senior Consultant Orthopaedic Surgeon

Qualification

MBBS | MS (Orthopaedic) | DNB (Orthopaedic)

Overview

Dr. Ritwik Ganguli is a highly respected orthopaedic and joint replacement consultant at Manipal Hospitals Dhakuria, Kolkata, with specialised experience in the field. He earned his MBBS with honours and medals before completing his MS in Orthopaedic and DNB in Orthopaedics. Dr. Ganguli further refined his skills through a fellowship in Sports Injury and Arthroscopic Surgery at the prestigious Wakamatsu Hospital in Japan, alongside numerous fellowships and courses both nationally and internationally. With a strong commitment to his profession, Dr. Ganguli focuses on treating a wide range of sports-related injuries, particularly complex conditions affecting the knees, shoulders, and ankles. He is also renowned for his expertise in Joint Deformity Correction, covering both Primary and Revision Joint Reconstruction. Notably, Dr. Ganguli has successfully treated numerous professional elite athletes, enabling them to resume national and international-level sports post-surgery. Dr. Ganguli's contributions extend beyond clinical practice, as he has published and presented numerous papers in esteemed national and international journals. Dr. Ganguli's unwavering commitment to excellence and comprehensive

approach to orthopaedic care is dedicated to enhancing his patient's mobility and quality of life. He is a member of prestigious societies such as the Indian Orthopaedic Association (IOA), the Indian Arthroscopy Society (IAS), the West Bengal Orthopaedic Association (WBOA), the West Bengal Arthroplasty Society (WBAS), and the Kolkata Arthroscopy and Sports Surgery Society (KASS). Dr. Ritwik Ganguli is fluent in English, Hindi, and Bengali, facilitating effective communication with a diverse patient population.
