

DR. RAHIUL ISLAM

Consultant Paediatric Specialist

Qualification

MBBS | MD (Paediatrics)

Overview

Dr. Rahiul Islam is a highly skilled specialist in Paediatric Emergency Medicine, Neonatology, and General Paediatrics, boasting 12 years of invaluable experience. He completed his MD in Pediatrics from the esteemed West Bengal University of Health Sciences (WBUHS), Kolkata, following his MBBS from the same institution. Additionally, he maintains active membership in the West Bengal Medical Council (WBMC). In addition to his extensive expertise in Paediatric Surgery, Infectious Diseases, and Cardiology, Dr. Islam offers a comprehensive range of services. These include child and adolescent care, management of viral fever, restless child disorder, paediatric critical care, sudden infant death syndrome (SIDS), bedwetting, and children's nutrition. Patients laud him for his adeptness in diagnosing and treating health issues in infants and children, as well as his meticulous monitoring of their behavioural, skill, and physical development at each stage. Dr. Rahiul Islam distinguishes himself among paediatricians with his exceptional friendliness and genuine care for his patients. He has garnered an outstanding reputation in the healthcare industry for his unwavering dedication to children's well-being,

providing personalised support to patient caretakers, and delivering attentive, evidence-based care. Actively involved in paediatric research and education, he endeavours to make a positive impact on the future of children's health, ensuring they receive the best possible care and support.
