

DR. BASTAB GHOSH

Consultant - Urology

Qualification

MBBS | MS (General Surgery) | MCh (Urology) (JIPMER) | Diploma in Advanced Laparoscopy (Strasbourg, France)

Overview

Dr. Bastab Ghosh is a renowned urologist and senior uro cancer surgeon at Manipal Hospitals, Dhakuria, Kolkata, boasting 22 years of experience, with 10 years dedicated specifically to his specialisation. As a senior uro cancer surgeon he brings forth his abundance of knowledge, experience, and constant commitment to prioritise the wellness of his patients. After completing his MBBS degree, Dr. Bastab Ghosh did an M.S. in General Surgery from RNT Medical College, Udaipur. He did MCh in Urology from JIPMER, Pondicherry and during the course, Dr. Bastab Ghosh carried out two clinical projects titled "Randomised clinical trial comparing intracorpusspongiosum block versus topical anaesthesia for performing internal urethrotomy in urethral strictures" and "Long term efficacy outcome of visual internal urethrotomy for stricture disease. He is the Best Urologist in Dhakuria, Kolkata. As a recognition of his pursuit for excellence, Dr. Ghosh has pursued an advanced clinical observer fellowship in robotic surgery at New York Presbyterian Hospital, USA, and also performed a clinical observer fellowship in genito-urinary malignancy at Rajiv Gandhi Cancer Institute and Research Center, New Delhi. As a renowned

urologist, Dr. Bastab Ghosh's expertise extends across a comprehensive range of therapies including, Laparoscopic Uro Cancer surgery, Laparoscopic Pyeloplasty, Reconstructive Uro Gynaecological procedures, urinary incontinence management, urological stone surgery, LASER Prostatectomy (HoLEP) or TURP Laparoscopic adrenal tumour operation. As a senior uro cancer surgeon Dr. Bastab Ghosh is dedicated to improving the well-being of his patients and he makes sure that his patients are happy with the quality of therapy provided. He has many publications and fellowships as he believes in staying updated about the new developments in his field. Dr. Bastab Ghosh's fluency in English, Bengali, and Hindi enables him to establish strong connections and effectively communicate with patients from various cultural and linguistic backgrounds. This linguistic versatility fosters a supportive and inclusive environment, ensuring that every patient feels heard and understood throughout their medical journey. All of these qualifications make him one of the best urologists.

Fellowship & Membership

- Clinical Observer fellowship in Robotic Surgery from New York Presbyterian Hospital, Weill-Cornell Medical College, NY, USA
- Clinical Observer fellowship in Genito-Urinary Malignancy from Rajiv Gandhi Cancer Institute and Research Center

Field of Expertise

- Specialist in uro-oncology, proficient in Advanced Laparoscopic and minimally invasive cancer surgeries including prostate, kidney, and adrenal tumors
- Experienced in major Reconstructive Urological Surgeries and Endourological Procedures, such as LASER operations for prostate and stone removal, as well as Urethroplasty

- Skilled in female urinary incontinence and gynaecological prolapse surgery.
- Minimally invasive urologic stone management.

Languages Spoken

- English
- Bengali
- Hindi

Awards & Achievements

- Invited as a guest lecture in International Congress of Endometriosis (ICE) 2023 (Topic - Urinary tract endometriosis)
- Invited as a guest speaker in All India Congress of Obstetrics and Gynaecology (AICOG) 2023 (Topic - Genitourinary fistula)
- Invited as a faculty in live operative workshop in mid term CUE under the aegis of Urological society of India (East zone), held in Bhubaneshwar, Orissa (27th and 28th August, 2022)
- Invited as a faculty in the Live Laparoscopic workshop conducted by Bengal Urological Society (31st Aug & 1st Sep, 2019)
- Invited as a Speaker in Female Urology segment in the National conference organised by Urological Society of India (USICON-2018)
- 2nd prize in Best Video category in Endogyn, 2017 (Laparoscopic repair of Uro-Genital fistula).
- Won Siliguri Travel Fellowship, EZUSI, 2016.
- Co guide in University dissertation of Dr. Susanta kumar Das (MCh urology Trainee at IPGMER; 2015-2018)
- Co guide in University dissertation of Dr. Dipak Kr Biswal (MCh urology Trainee at IPGMER; 2013-2016)

- Invited as a guest speaker on Renal Transplant in the ASI (EZ) annual conference, 2016
- Invited as a specialist panellist in annual conference (2015) by Indian Society of Nephrologist, East Zone chapter (ISNEZ).
- Won AUA-USI Residents' International Travelling Fellowship 2012.
- Invited to attend the annual conference of American Urological Association, 2012 at Atlanta, USA.
- Won Gopal Ch. Bhattacharya Memorial Prize (silver medal) for obtaining second highest marks in Medicine in final MBBS in 2001.
