

DR. SHILPITA BANERJEE

Consultant - Gynaecology Obstetric and Fetal Medicine

Qualification

MBBS | MS (Obstetrics and Gynaecology) | FNB (High risk pregnancy & Perinatology)

Overview

Dr. Shilpita Banerjee is a distinguished consultant in the Department of Obstetrics and Gynaecology at Manipal Hospitals, Dhakuria, with over 22 years of clinical experience. She completed her MBBS from Calcutta University. She later obtained an MS in Obstetrics and Gynaecology from the West Bengal University of Health Sciences (WBUHS). Her medical journey reflects a consistent dedication to excellence and advancement in women's healthcare. Dr. Banerjee brings extensive expertise in a wide spectrum of subspecialties, including Infertility, Urogynaecology, Gynaecological Endoscopy, Gynae-Oncology and more. A strong academic foundation and specialised training complement her clinical proficiency. She has completed a Post-Doctoral Fellowship in High-Risk Pregnancy and Perinatology, equipping her to manage complex maternal and foetal conditions. Additionally, Dr. Banerjee holds a Fellowship in Gynaecological Endoscopy from the Women’s Health Initiative Training Programme (STORZ). She has also earned a Colposcopy Fellowship from the World Health Organisation (WHO), conducted at the Chittaranjan National Cancer Institute. Dr. Banerjee’s skill in managing complex obstetric

cases, particularly high-risk pregnancies and maternal-foetal complications, has earned her recognition. In addition to obstetrics, Dr. Banerjee is proficient in advanced gynaecological procedures, including endoscopic and minimally invasive surgeries. Among her accolades, Dr. Banerjee has received first prize in a Foetal Medicine poster presentation at a national-level event in Hyderabad. Her successful surgery on a patient with achondroplasia has garnered her attention in several international newspapers. In addition, her academic contributions are reflected in publications like FOGSI and the Journal of Anaesthesia. She has also presented papers at many forums, including the All India Congress of Obstetrics and Gynaecology (AICOG). Dr. Banerjee remains actively involved in several professional medical communities. These include the Bengal Obstetrics & Gynaecological Society (BOGS), the Indian Society for Assisted Reproduction (ISAR), and more. Dr. Banerjee's dedication to patient-centred care, academic contributions, and clinical leadership make her a highly respected person and the best Gynaecologist in Dhakuria, in the field of Obstetrics and Gynaecology.
