Overview

Dr. Dhrubo Roy is a highly experienced senior consultant in the Department of Ear, Nose, and Throat (ENT) at Manipal Hospitals, Dhakuria. Dr. Roy, who possesses over 26 years of experience, enjoys widespread recognition for his expertise in both adult and paediatric ENT care. He holds an MBBS degree, a Diploma in Otorhinolaryngology (DLO), and a Diplomate of National Board (DNB) in the same speciality. To further advance his surgical capabilities, he has earned a Diploma in Skull-base Surgery from Ramaiah University, Bengaluru. He also obtained the Certificate in Minimal Access Surgery from the Institut de Recherche contre les Cancers de l'Appareil Digestif (IRCAD), France. Dr. Roy specialises in a wide range of ENT procedures, including Laser Phono Surgery, Endoscopic Ear Surgery, Advanced Endoscopic Nose and Sinus Surgery, and Coblator-assisted Paediatric and Sleep Apnea Surgery. His clinical focus includes the treatment of conditions such as vocal nodules, nasal polyps, acoustic neuroma, adenoid infections, hoarseness, throat infections, and chronic ear disorders. He is also adept at managing complex ENT conditions in neonates and children,

using minimally invasive techniques that promote faster healing and improved comfort. His surgical expertise is complemented by a strong academic interest. Dr. Roy has served as a guest lecturer at the AYJ National Institute, Kolkata, where he has contributed to the education of M.Sc. students in Audiology and Laryngology. He has authored multiple publications in both national and international journals and remains actively involved in advancing ENT clinical research and best practices. Dr. Roy is a respected member of various national and international ENT associations, including the Indian Voice Association, the Association of Phonosurgeons of India (APSI), and the International Working Group on Endoscopic Ear Surgery (IWGEES). Fluent in English, Hindi, and Bengali, he provides clear, empathetic communication and personalised care to a diverse patient population. Dr. Roy’s dedication to precision, innovation, and patient outcomes makes him a trusted name in ENT care.
