

DR. SHELLEY SHAMIM

Consultant - Pulmonary Medicine

Qualification

MBBS | MD (Pulmonary Medicine)

Overview

Dr. Shelley Shamim is a distinguished consultant in the Department of Pulmonary Medicine at Manipal Hospitals, Dhakuria, with over 19 years of extensive experience. He holds an MBBS and an MD in Pulmonary Medicine, where he graduated as the university topper. Dr. Shamim has served in several reputed hospitals across Kolkata, gaining in-depth expertise as a chest physician and pulmonologist. His areas of clinical interest include the management of asthma, chronic obstructive pulmonary disease (COPD), interstitial lung disease (ILD), chronic cough, and respiratory tract infections such as tuberculosis. Moreover, Dr. Shamim is also adept at managing diffuse parenchymal lung diseases (DPLDs) using patient-specific, evidence-based treatment approaches. He has also handled several critical care cases, successfully treating patients with life-threatening pulmonary conditions. Known for his evidence-based approach and patient-focused care, Dr. Shamim combines medical precision with compassion, earning the trust of both patients and peers. In addition to his clinical work, he has held the position of Associate Professor at a leading medical college. He is a regular speaker at national and state-

level medical conferences. Dr. Shamim has authored numerous publications in national and international journals, making significant contributions to academic research. He is an active member of the Indian Medical Association (IMA), the Indian Chest Society (ICS), and the West Bengal Medical Council (WBMC). Fluent in English, Hindi, and Bengali, Dr. Shamim ensures clear and compassionate communication with patients from diverse backgrounds. His contributions to clinical practice and research make him a respected authority in the field of Pulmonary Medicine.
