

DR. TUHIN SUBHRA MANDAL

Consultant - GI Surgeon

Qualification

MBBS | MS (General Surgery) | MCh. (Surgical Gastroenterology)

Overview

Dr. Tuhin Subhra Mandal, Consultant in GI Surgery at Manipal Hospitals Dhakuria, is a distinguished expert with a profound academic background and extensive clinical experience. Holding MBBS, MS (General Surgery), and MCh (Surgical Gastroenterology) qualifications, Dr. Mandal specialises in advanced surgical techniques for treating liver, pancreas, and biliary tract diseases. His expertise encompasses Hepato Pancreatic Biliary (HPB) Surgery, focusing on complex conditions like liver cancers, pancreatic tumours, and bile duct disorders. Dr. Mandal is skilled in performing intricate Gastrointestinal Surgeries, including Resections for gastric and colorectal cancers, and managing inflammatory bowel diseases such as Crohn's disease and ulcerative colitis through surgical interventions. He employs advanced Laparoscopic and Robotic-assisted techniques to enhance precision and improve patient outcomes. With a strong dedication to Liver Transplantation, Dr. Mandal is proficient in both living-donor and deceased-donor procedures, ensuring comprehensive pre-operative evaluation, meticulous surgical execution, and thorough post-operative care. His multidisciplinary approach enhances recovery and long-term

success for transplant recipients. As an Associate Professor in Surgical Gastroenterology, Dr. Mandal contributes significantly to the field through his research and publications. His work includes studies on surgical outcomes in chronic pancreatitis, Liver Transplantation, and complex pancreatic diseases. Dr. Mandal is fluent in English, Bengali, and Hindi, facilitating effective communication with a diverse patient base. Patients seeking specialised care in GI surgery can benefit from Dr. Tuhin Subhra Mandal's expertise, commitment to excellence, and patient-centred approach at Manipal Hospitals, Dhakuria.

Fellowship & Membership

- Fellowship in Liver Transplantation
- Life Member of the Association of Surgeons of India (ASI)

Field of Expertise
