

DR. AVIJIT BHATTACHARYA

Consultant - Internal Medicine

Qualification

MBBS | MD (General Medicine)

Overview

Dr. Avijit Bhattacharya is one of the eminent General Physician/ Internal Medicine specialists in Kolkata serving in the Department of Internal Medicine at Manipal Hospitals, Dhakuria, Kolkata, with an overall experience of more than 30 years in the medical field. Dr. Bhattacharya laid the foundation of his medical career by completing his Bachelor of Medicine and Bachelor of Surgery (MBBS) at R. G. Kar Medical College and Hospital (RGKMCH), followed by a Doctor of Medicine (MD) at the Institute of Post-Graduate Medical Education and Research and Seth Sukhlal Karnani Memorial Hospital (IPGMER and SSKM Hospital), Kolkata. His immense experience and professionalism have earned him a reputation as a trusted and dedicated healthcare provider. Dr. Bhattacharya's expertise involves the diagnosis, treatment, and management of several diseases, including infections like dengue. He prioritises providing non-surgical interventions to address various diseases and ailments, thereby ensuring comprehensive and holistic care for each patient. Dr. Bhattacharya is also a dedicated mentor to many students. His passion for teaching and mentorship has moulded many next-generation doctors under him,

assisting them in preparing for their theses and other programmes, and helping them shape and excel in their medical careers. Moreover, Dr. Bhattacharya is a member of the Specialist Board of the National Board of Examination (NBE) in General Medicine, allowing him to evaluate and develop future specialists in the field. Additionally, he is also a member of many distinguished societies, namely the Association of Physicians of India (API), the Indian Society of Critical Care Medicine (ISCCM), the Cardiological Society of India (CSI), and the Indian Medical Association, enabling him to stay up-to-date with recent advancements made in the field. Dr. Bhattacharya's responsibilities extend beyond the clinical domain, where he is actively involved in administrative and leadership responsibilities to enhance quicker healthcare delivery and organisational excellence. He played a significant role in hosting AMRICON, a two-event consisting of over ten national multispecialty conferences, and graced with renowned speakers and delegates, showcasing his commitment to advancing medical knowledge and fostering collaboration within the healthcare community. He is also an active participant and a faculty member at many national and international conferences. He regularly takes part in the International Symposium on Emergency Medicine and Critical Care due to his interest in Critical Care Medicine, which is held in Brussels. Additionally, Dr. Bhattacharya has authored and contributed to several chapters in the field of Clinical Medicine. He has also been conferred with a fellowship by the Indian College of Physicians (FICP), further recognising his contributions to the medical field. Proficient in the languages of Hindi, English, and Bengali, Dr. Bhattacharya's extensive credentials make him one of the most renowned specialists in the state of Kolkata.
