

DR. HIMADRI PATHAK

Senior Consultant -Urology

Qualification

MBBS | DNB (General Surgery) | DNB (Urology) | MNAMS

Overview

Dr. Himadri Pathak is a distinguished senior consultant in the Urology Department at Manipal Hospitals, Dhakuria, Kolkata, with over 30 years of overall experience, including 25 years of focus on diagnosing and treating various disorders of the genitourinary (GU) system. He holds an MBBS degree from Calcutta University and a DNB in General Surgery from the National Board of Examination. To achieve excellence as a urological surgeon, he also did DNB in Urology and is an esteemed member of the National Academy of Medical Sciences (MNAMS). Dr. Pathak specialises in managing malignancies of the genitourinary tract and voiding dysfunctions related to the lower urinary tract. He is particularly skilled in using advanced endoscopic techniques for both diagnostic and therapeutic purposes in the genitourinary system. His commitment to delivering the highest standard of care is demonstrated by his regular performance of GU diagnostics and therapeutic endoscopies, aiming to improve patient outcomes through precise and minimally invasive procedures. Dr. Pathak is also an Associate Professor in the Department of Genitourinary Surgery at the Vivekananda Institute of Medical Sciences (Ramkrishna Mission Seva

Pratishthan). He contributes to the M.Ch Urology course, mentoring students pursuing post-doctoral specialisation after completing their General Surgery training. Additionally, Dr. Pathak's dedication to academic excellence is reflected in his memberships in prestigious organisations such as the Urological Society of India (USI) and the Bengal Urological Society (BUS). His numerous contributions to medical literature, through talks and publications, highlight his commitment to advancing the field of Urology. Fluent in English, Bengali, and Hindi, Dr. Pathak ensures effective communication with his patients, fostering trust and clarity in every interaction. His unwavering commitment to patient care, compassionate nature, clinical expertise, and academic contributions make Dr. Himadri Pathak one of the leading urology specialists in the region.
