

DR. ARJUN RAY

Visiting Consultant - Nephrology

Qualification

MBBS | MD (General Medicine) | DM (Nephrology) | MRCP (UK)

Overview

Dr. Arjun Ray is a leading consultant in the Department of Nephrology at Manipal Hospitals, Dhakuria, with an overall experience of over 12 years in the field. He completed his MBBS from R.G. Kar Medical College and Hospital and MD in General Medicine from VIMS, Sishu Mangal Hospital, Kolkata, securing a gold medal at the exit exam. He further specialised with a DM in Nephrology from IPGME&R & SSKM Hospital. He is a Member of the Royal College of Physicians (MRCP) in the UK. Dr. Ray’s dedication to advancing medical knowledge and his compassionate approach to patient care have earned him widespread respect in the medical community. With immense expertise in the field of Nephrology, Dr. Ray is proficient in performing General and Preventive Nephrology, Diabetic Kidney Disease Management, Critical Care Nephrology, including CRRT (Continuous Renal Replacement Therapy), Peritoneal Dialysis, Interventional Nephrology (Permacath and Peritoneal Dialysis Catheter Placement), Renal Biopsy, and Kidney Transplantation. His special areas of interest are diagnosis and management of acute kidney injury, chronic kidney disease and Transplantation; Hemodialysis and Peritoneal dialysis; glomerular

disease; mineral bone disorders; and Interventional Nephrology. Besides his clinical skills, Dr. Ray is a gifted researcher and has made significant strides in his field. He has presented papers at prestigious conferences, securing a 2nd position in ISNCON'23 held at Pune and at WCN'24 in Buenos Aires, Argentina, with his work published in KI reports. He also secured 1st prize in paper presentation at the Toronto Complement Conference (TCC'21), later published in the Canadian Journal of Kidney Health and Disease. He has been a judge in paper presentations at ISNCON'24 in Kolkata and was also a faculty member at the recently concluded ISNEZCON'25 while participating in poster presentations there. As a dedicated advocate for kidney health and Nephrology specialist in Dhakuria, Dr. Ray frequently engages in public education efforts aimed at raising awareness about kidney disease prevention and care. He is a distinguished member of the Indian Medical Association (IMA), the Indian Society of Nephrology, and the International Society of Nephrology. Proficient in the languages of English, Bengali, and Hindi, Dr. Ray effectively communicates with a diverse range of patients empathetically and is committed to serving the ailing people in his home state.
