

DR. AARTI SARDA

Senior Consultant - Dermatology

Qualification

MBBS | MD (Dermatology, Venerology, and Leprosy)

Overview

Dr. Aarti Sarda is an esteemed senior consultant specialist in the Department of Dermatology at Manipal Hospitals, Dhakuria, with an overall experience of 16 years. Regarded as one of the best dermatologists and trichologists in the region of Kolkata, Dr. Sarda consistently demonstrates her expertise through advanced treatments and patient care. After completing her Doctor of Medicine (MD) in Dermatology, Venerology, and Leprosy from the prestigious Kasturba Medical College, Manipal, she earned various fellowships from renowned skin institutes across the globe, particularly in Europe, the USA, Dubai, and Bangkok. As an acclaimed dermatologist, Dr. Sarda specialises in Clinical Dermatology, Cosmetic Dermatology, and Dermatosurgery. She is also adept at addressing various skin conditions, including scars, pigmentation, birthmarks, tattoos, body shaping, hair removal, etc., through advanced Laser Treatments. Her experience at leading institutions has equipped her with expertise in modern anti-ageing and Aesthetic Dermatology techniques, including Botox, Chemical Peels, PRP Injections, Microdermabrasion, Dermarollers, etc. Apart from her clinical acumen, Dr. Sarda is an

accomplished academician. She has published over 70 research papers in several international and national journals and has authored more than 40 chapters linked with different sections of Dermatology, including Aesthetic Dermatology and Laser Treatments. She is also the deputy editor of the Indian Journal of Dermatology (IJD) and is a reviewer of many national and international dermatology journals. Dr. Sarda is a recognised expert in Aesthetic Dermatology, regularly presenting on Laser Treatments, Botox, Fillers, and other procedures at conferences held in the country and abroad. As a member of prestigious organisations, including the International Society of Dermatology (ISD) and the European Academy of Dermatology and Venerology (EADV), she stays abreast of recent advancements and developments in the field. Moreover, she was awarded immensely for her contributions to the field, particularly for her excellence in research and oratory skills. Dr. Sarda is fluent in English, Hindi, and Bengali, enabling her to communicate with patients from different linguistic and cultural backgrounds. Her commitment, clinical expertise, and dedication to patient care make Dr. Sarda the best skin doctor in Dhakuria and a distinguished specialist in the country.
